The Individual
Our Crowd
Musicians
Athletes
Artists
Teachers
Cowboys
Brains
-Individuals-
And every person does their part
to:
Cheer the team to victory
to:
Make Sure teachers have enough to do
(especially over vacation)
to:
Rejoice when exams are due
Enjoy our homework
Delight in classes like...
Civics
Physics
Biology
Trigonometry
Zoology
History
Geometry
and present day mystery.
But still, around here
there remains a place for
the Individual.

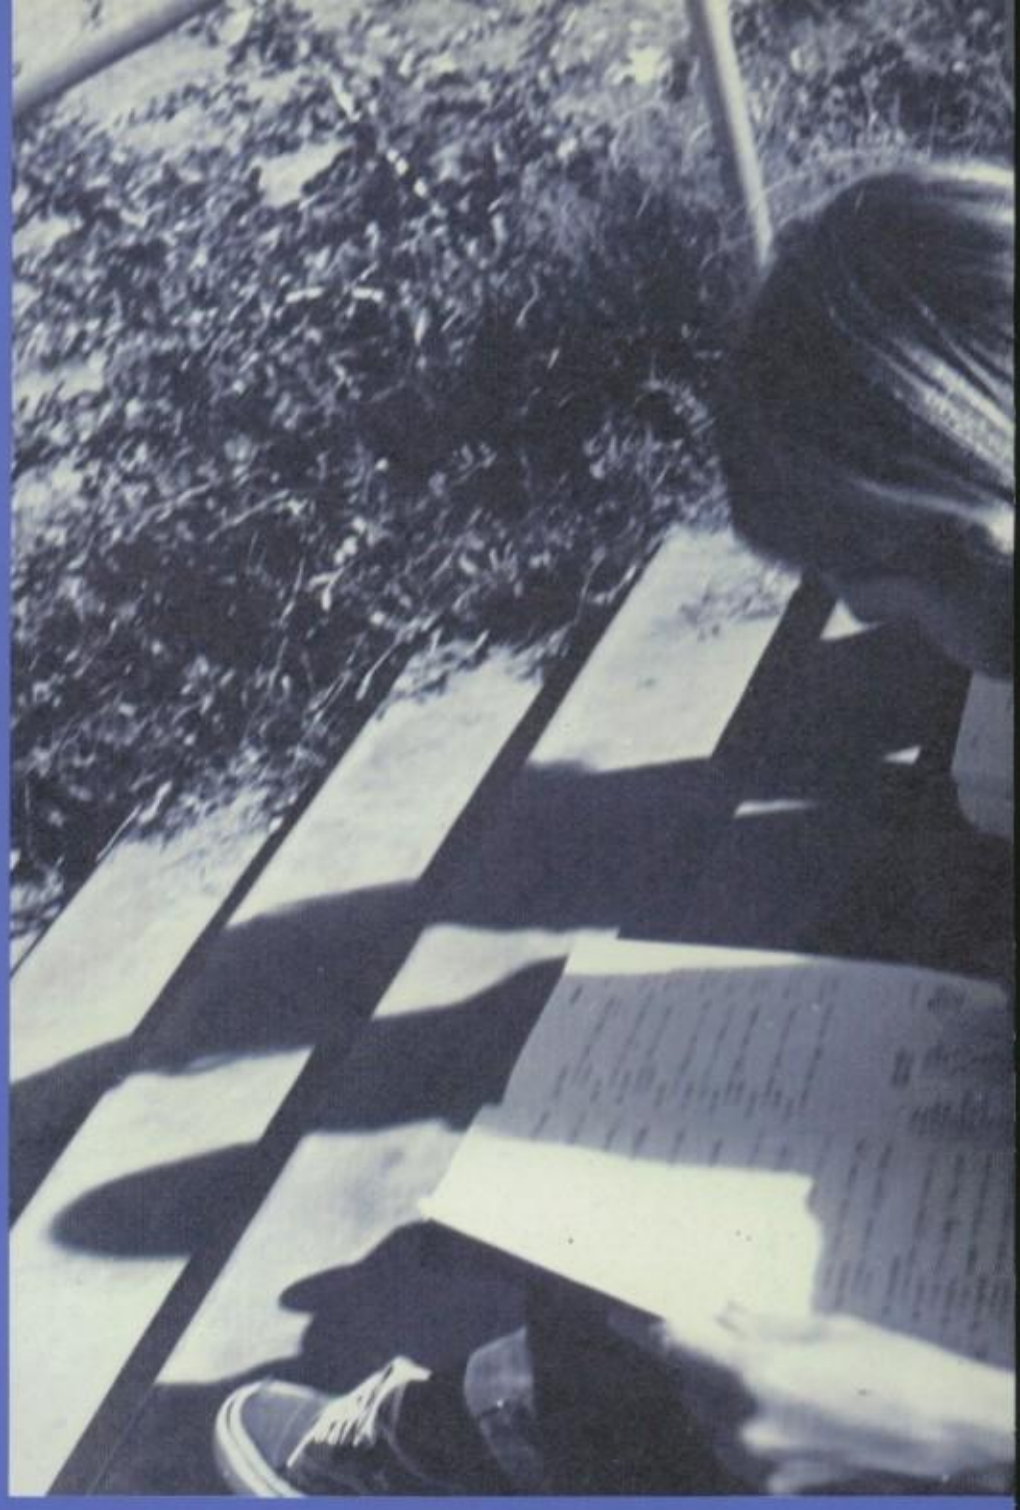
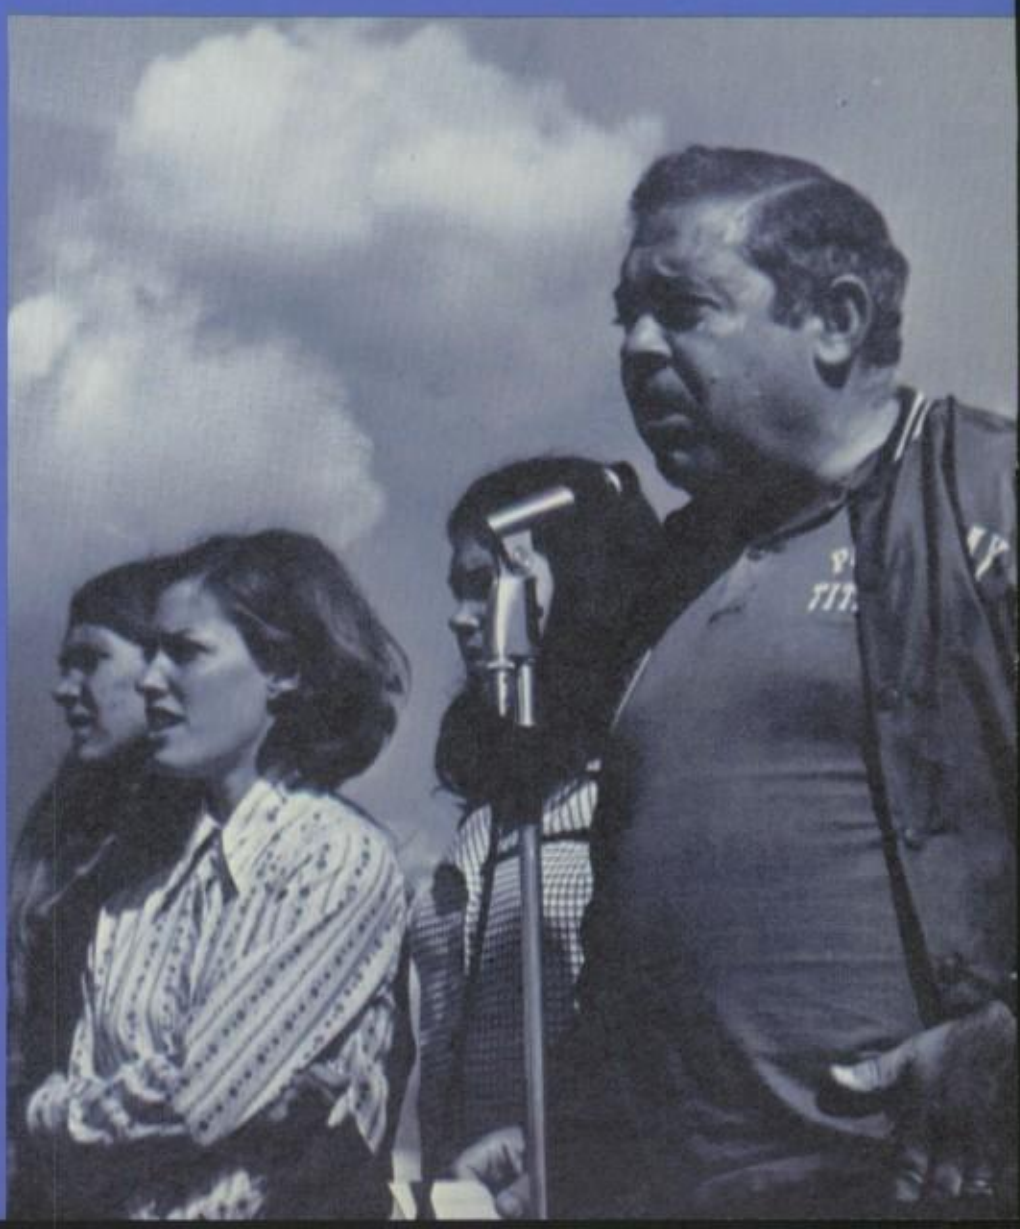
Hello, Poway High,
Today I have a test,
a speach to give in Civics,
absolutely no free time,
I've forgotten my lunch,
and to do my Math homework...
Why didn't I stay
in bed this morning?
But since I'm here-
I might as well stay.

Hail Isadora,
our Queen of dance!
You borrowed from folk
many a step,
And from the Ballet
a pirouette,
Then created your own
kind of a waltz,
And called it "mod."

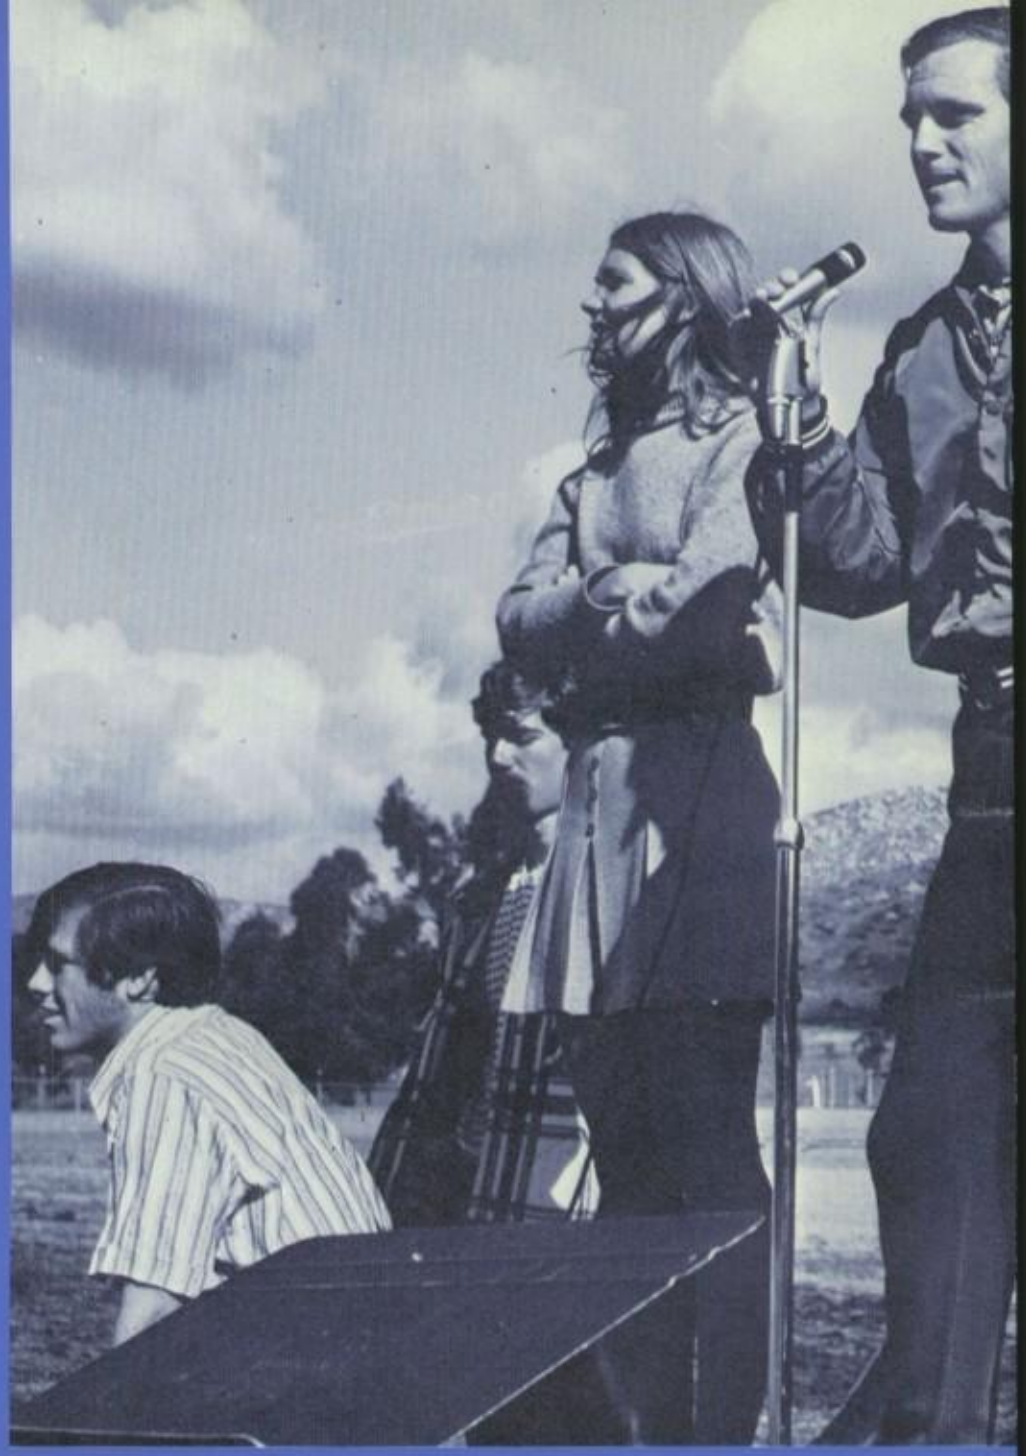


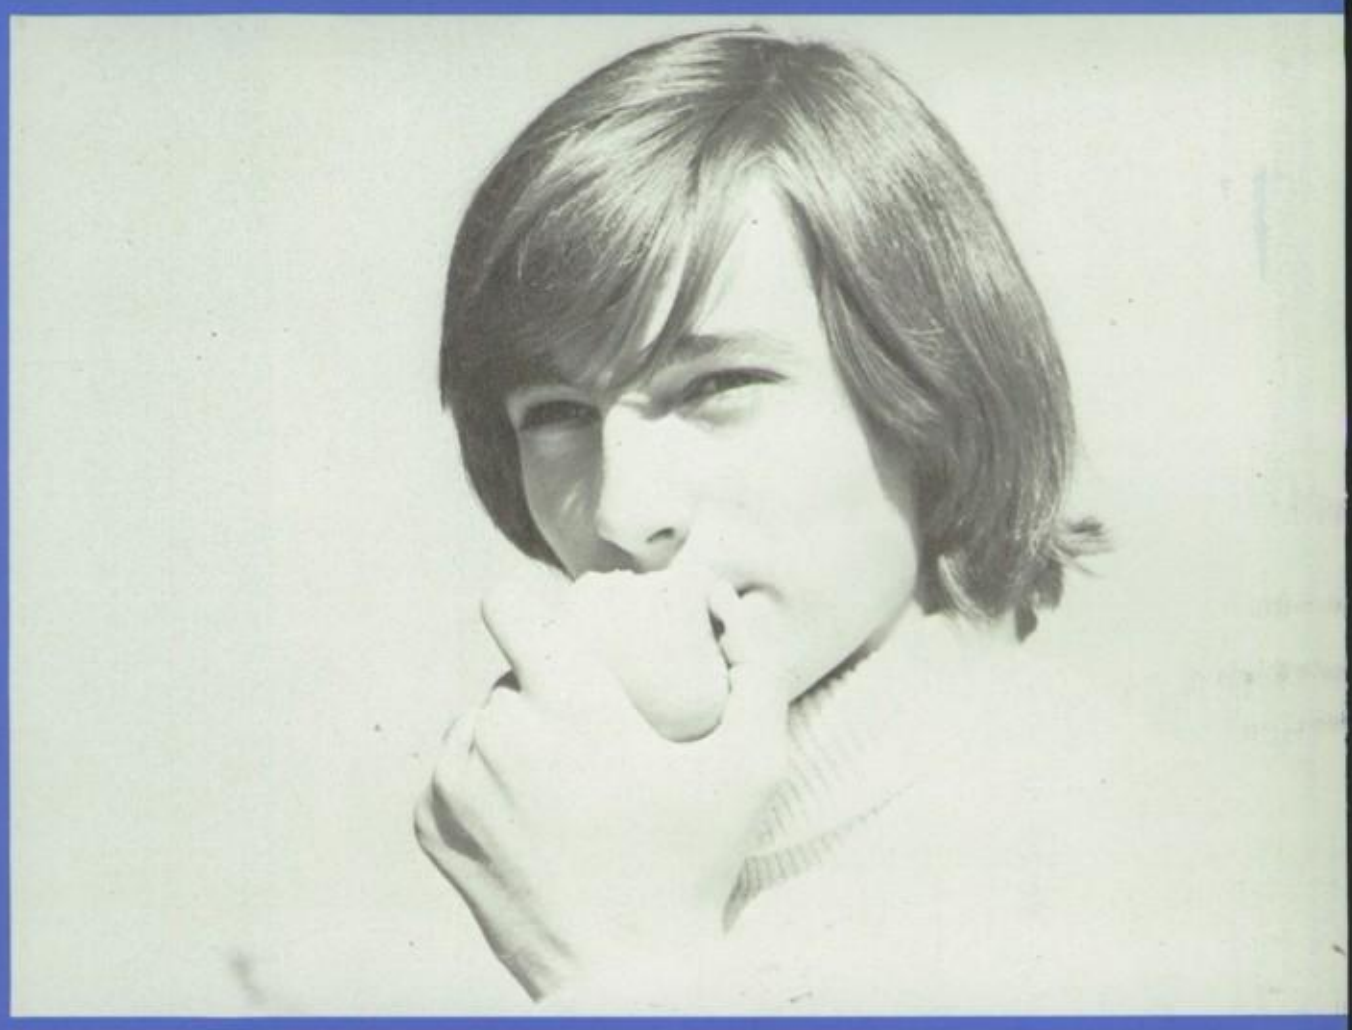
Tomorrow, I'm not
coming to school.
My History
report is due.
(I wish it
was finished)
If I just had
one more day...
Perhaps it won't be
quite so bad...
I might even get
an A on it—
Maybe I will come
to school tomorrow.
(I think)

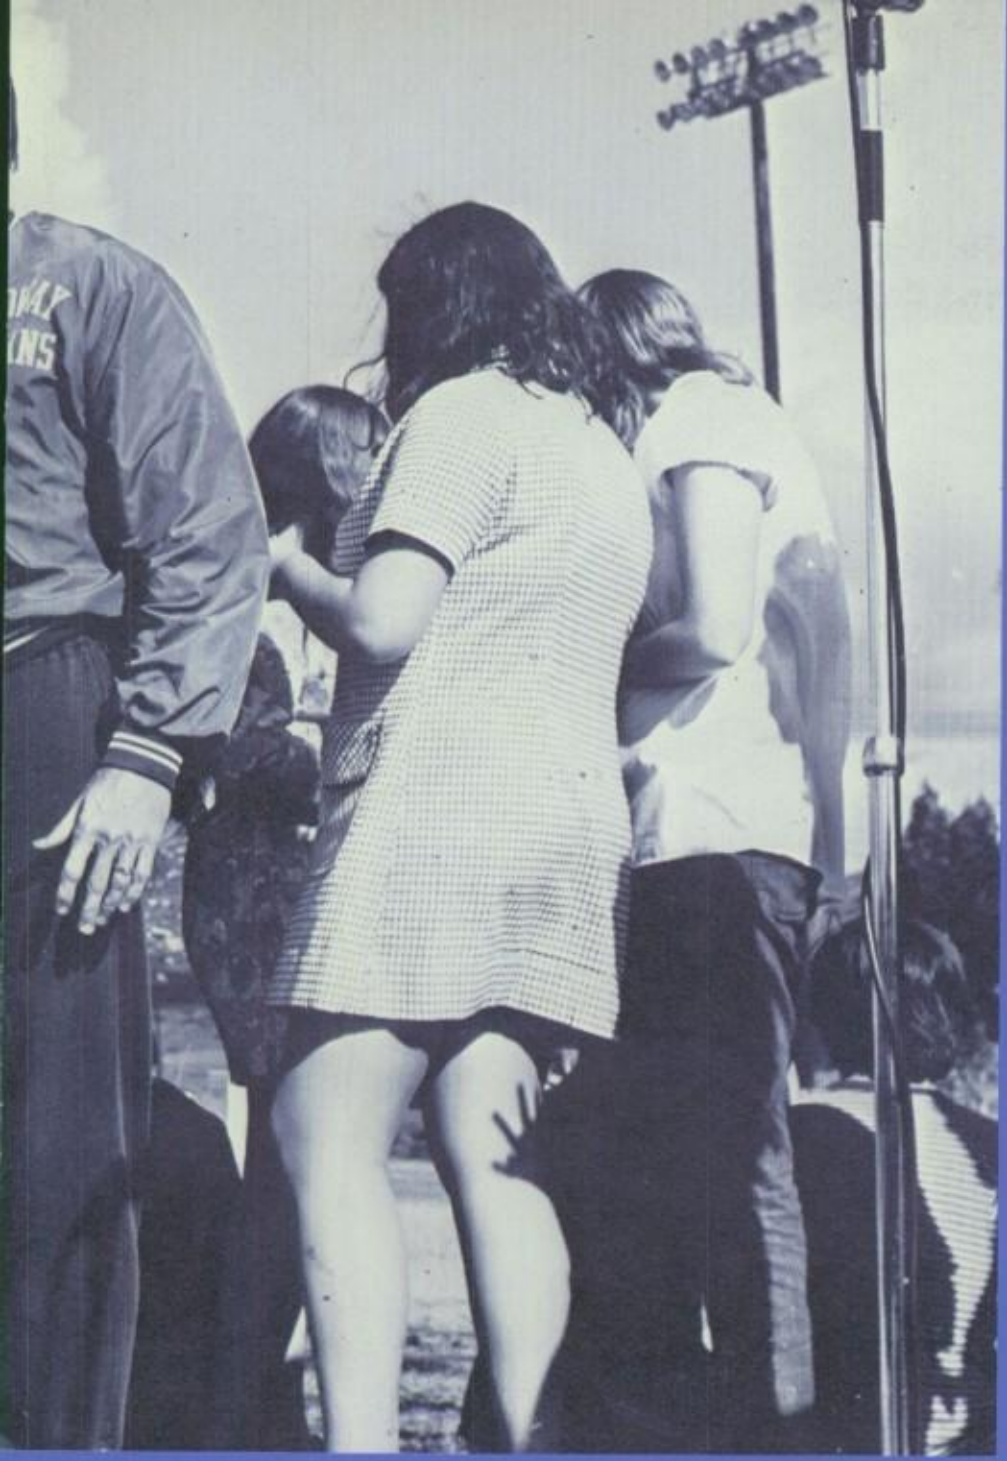


Boy meets Girl
(wow)
Girl wonders:
does he or
doesn't he
(like me, that is)
Boy decides
hmm... neat, sweet...
interesting!
One plus One
(Equals two)
Great!

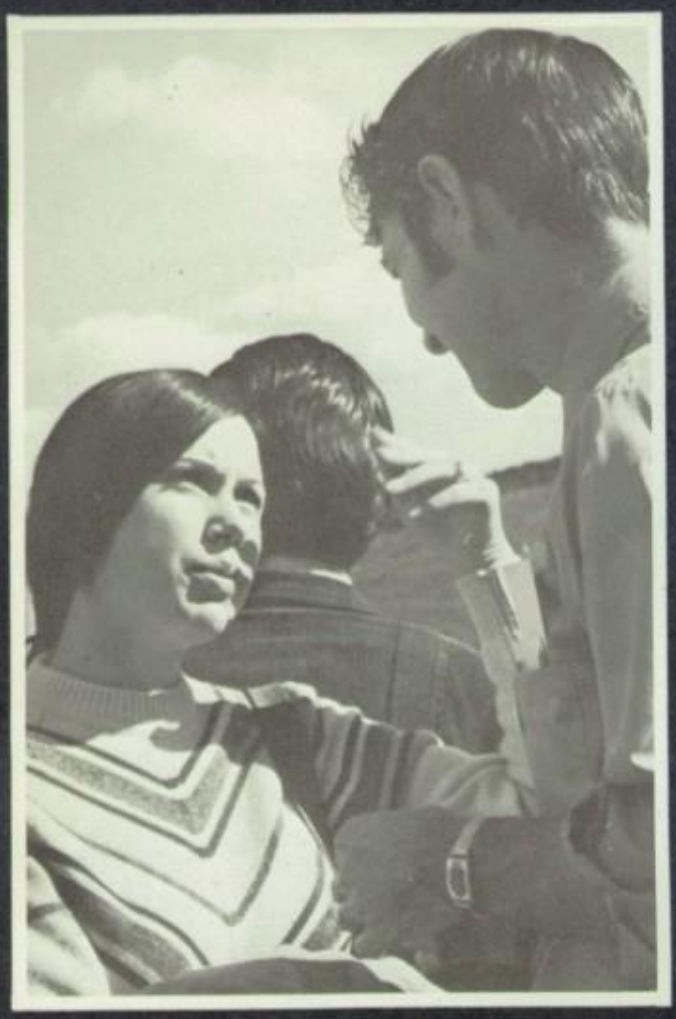
A time to take care
of the growl in the tummy
by partaking of goodies
prepared with tender, loving care,
then listen to the latest gossip
of the school's swinging social life.





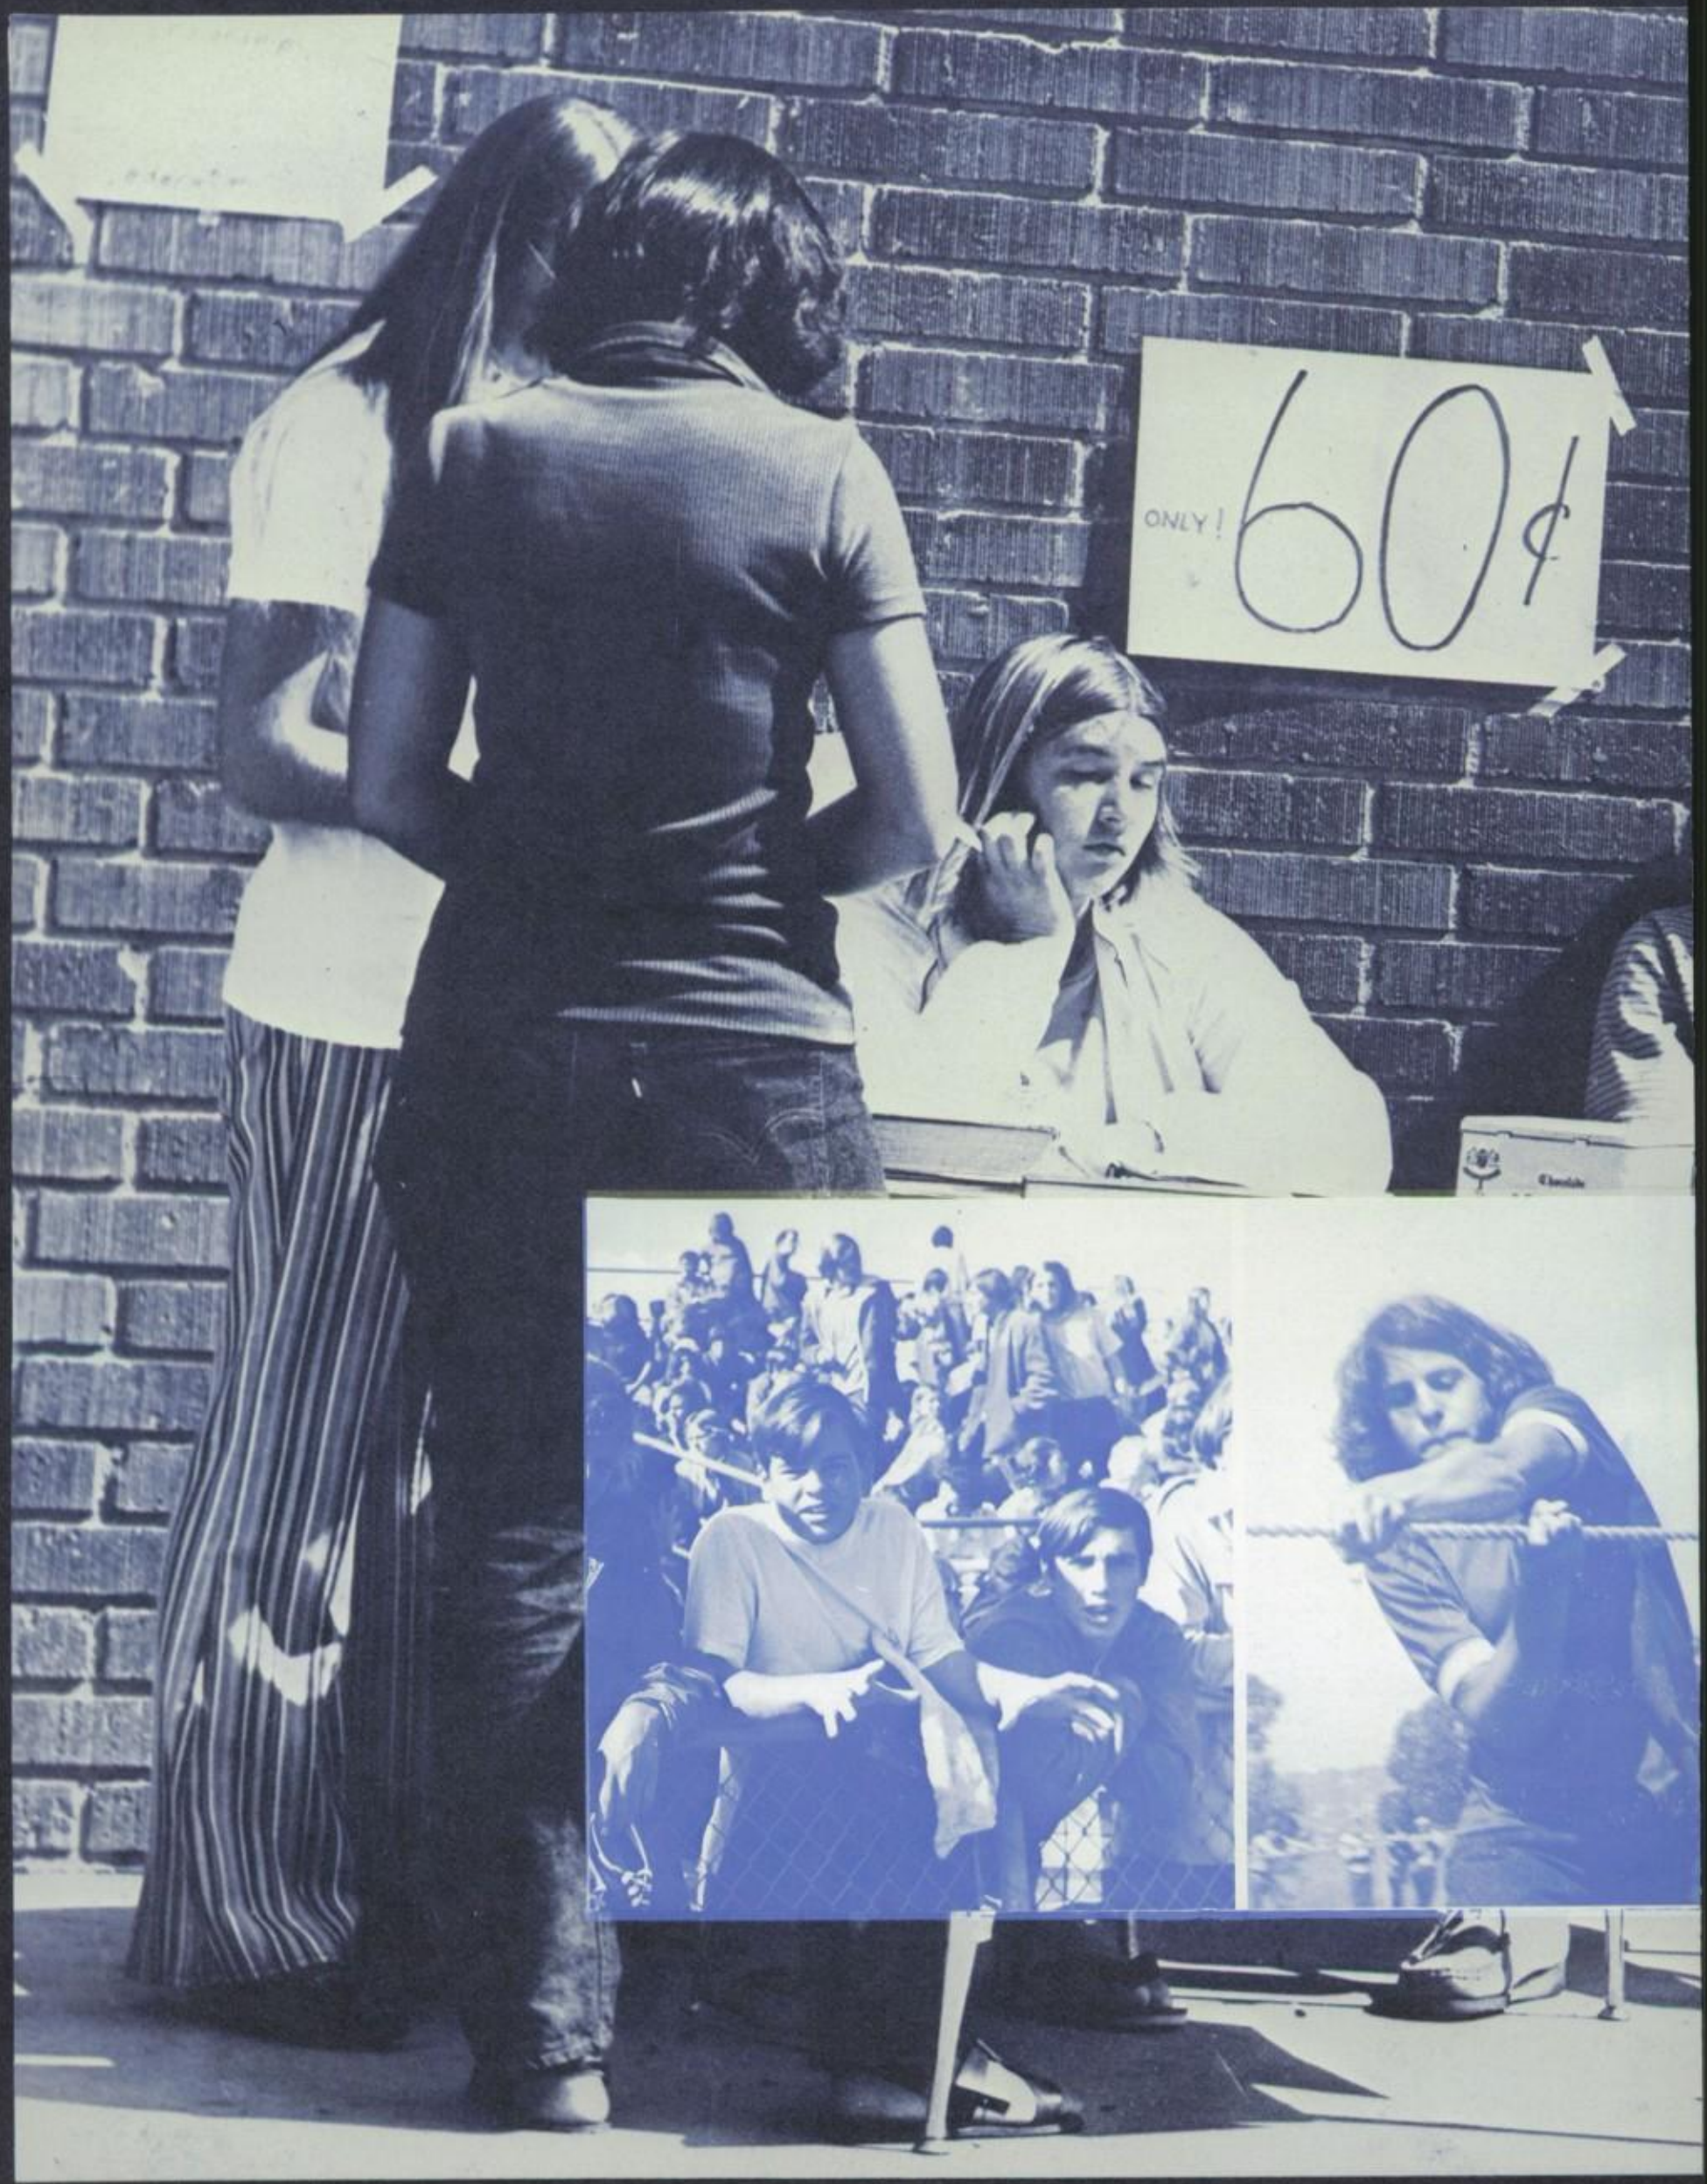


It is good to be outside instead of in a class trying to study. Some days are just too nice to stay inside. What better place to be...



Two heads
can think
so much better
than one.
It must be
the added
brain power
that causes
many thought-
full solutions
to unsolvable
questions of
great wisdom.

And now,
we shall continue
with the Odyssey...



ONLY!

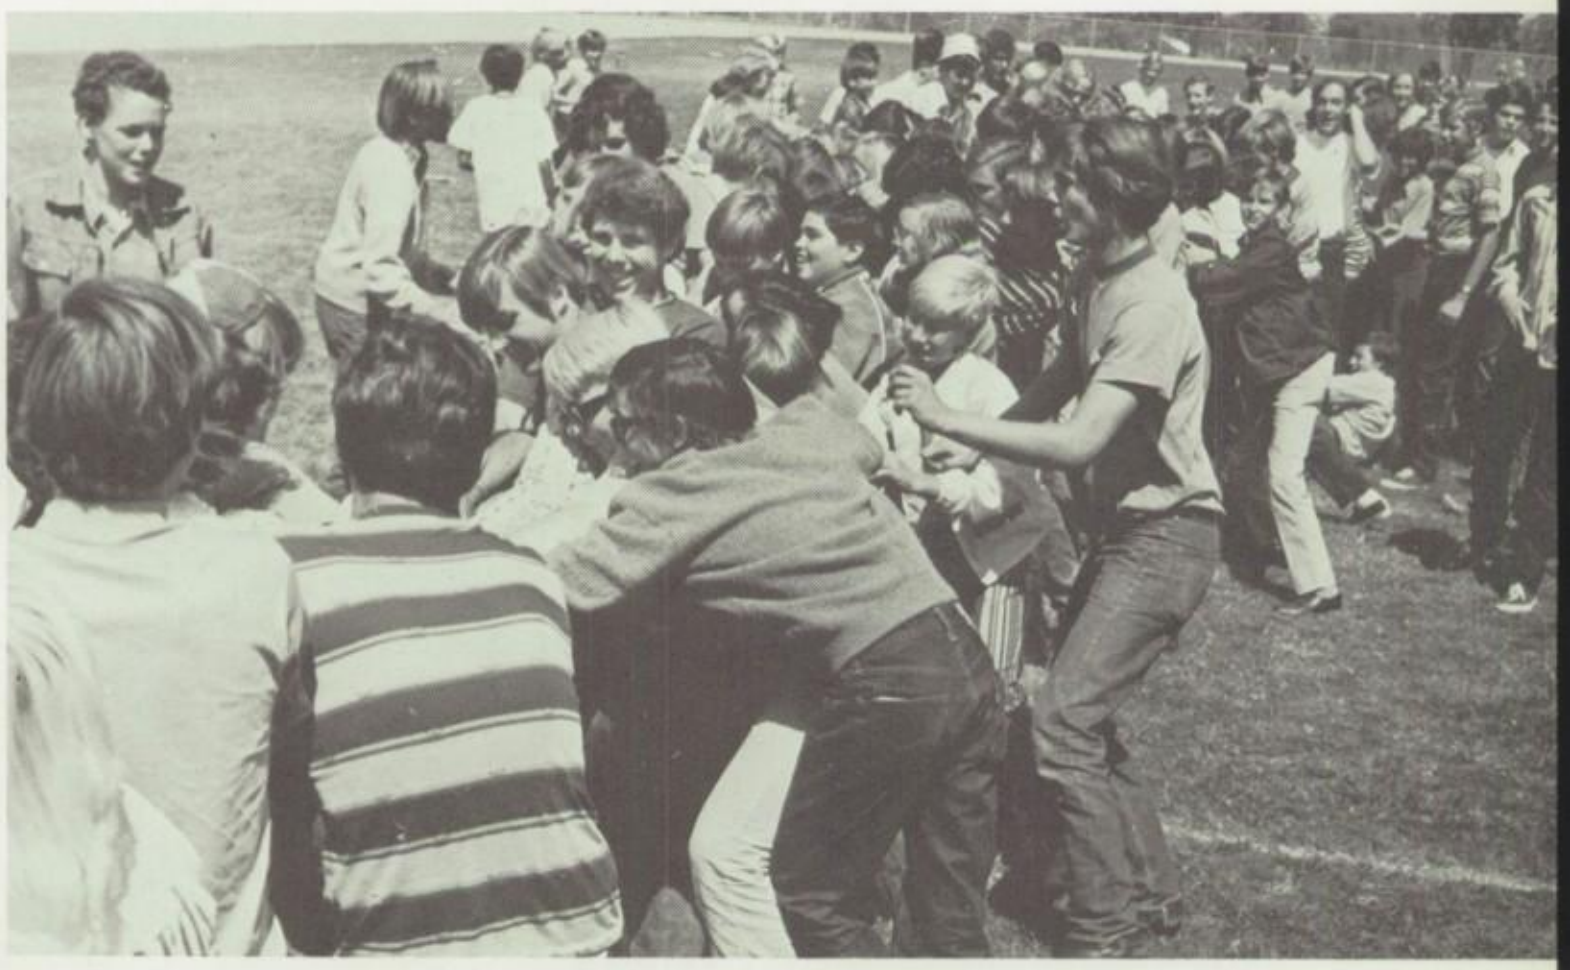
ASSEMBLIES

Throughout the year many assemblies are held, they serve as a change of pace from the usual school day. In some assemblies, the freshmen are slightly overpowered by the seniors, but they do try. There are awards assemblies, pep assemblies, music assemblies, just about anything can be used as an excuse to have an assembly-that even includes pie-eating assemblies.

Far Left: During one of the many assemblies coach Mello talks about athlete's as individuals. How much work it is and how much you have to sacrifice.

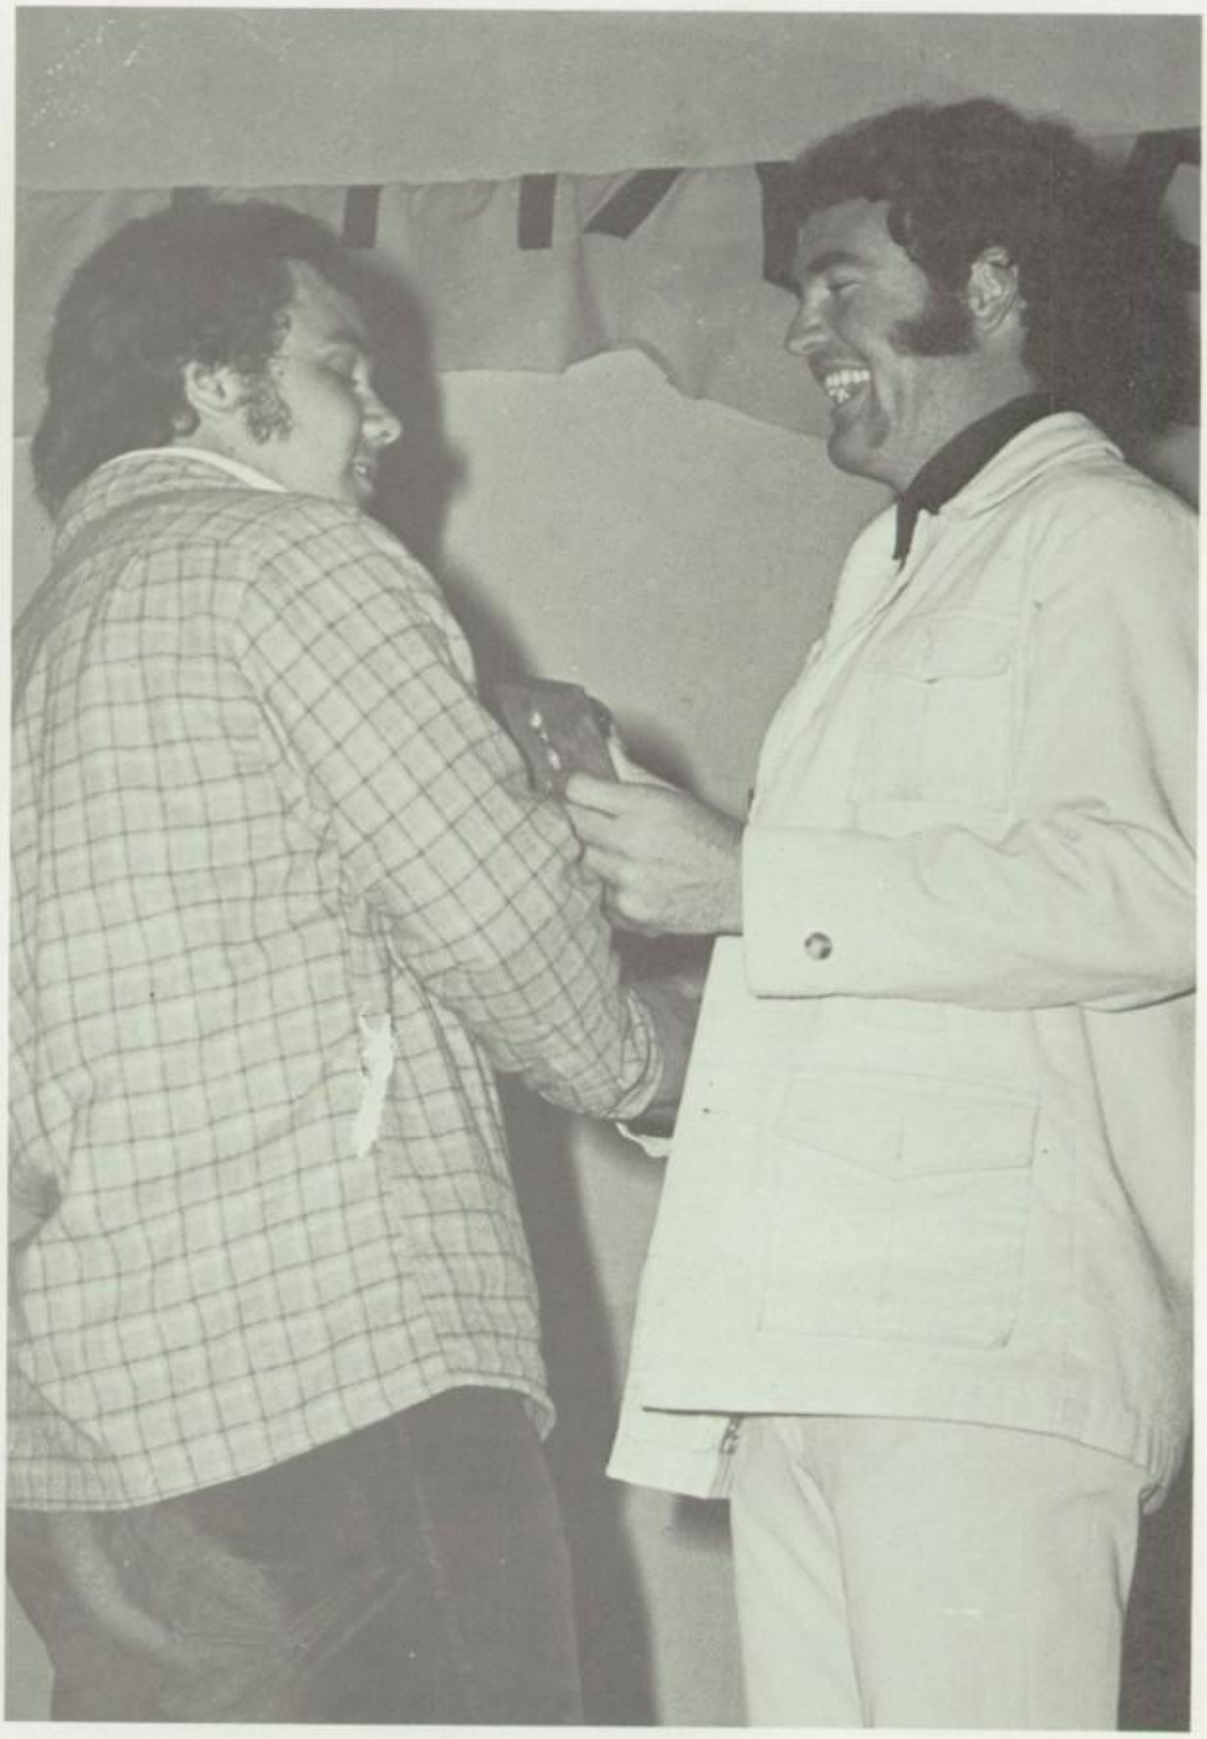
Lower Left: The first assembly of the year, the first singing of the Alma Mater. Hopefully, to straighten out the freshman class.

Top Center: The freshman class knell down before the rest of the school to sing the Alma Mater for the first time.



Above: The annual senior-freshman tug-of-war. As usual the seniors were victors over the freshman.

Center: The Mob is back in town. Just maybe they can improve the way the campus looks.



Above Left: A view from the stands during an outside assembly.

Far Left: The Pep Band was always on hand when some assembly was needed.

Left: Rick Caicedo demolishes a pie in the annual pie eating contest.

Above: Tim Bennke accepts a football trophy from coach Trestrial during the football awards assembly.

Above: The Varsity cheerleaders, bottom, from left to right: Gina Pace, Rose Stacklin, Debbie Levins. Center: Janine Hesse, Connie Sheperd. Back; Patty Berghorn, Michele Malone and Candy Sexton.

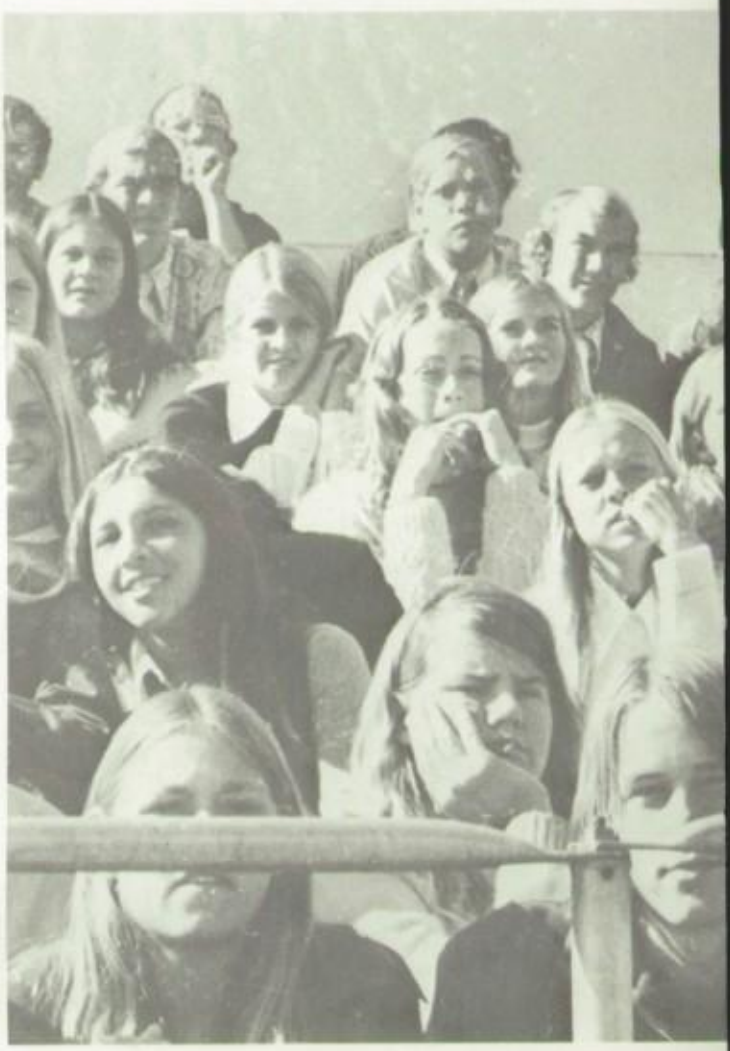
VARSITY CHEERLEADERS

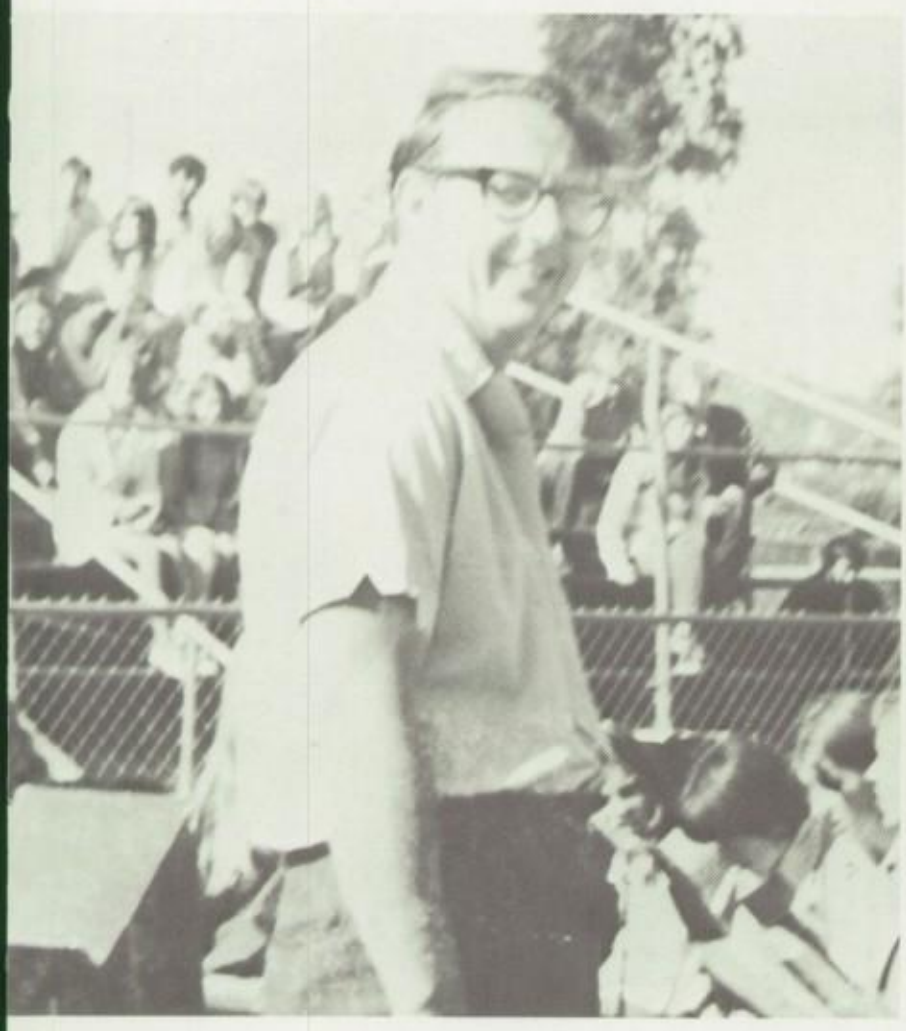
Cheerleading try-outs for 1972-73 were held for the first time in front of a board. The judging board consisted of some faculty members, senior varsity cheerleaders and lettermen. When the 8 girls were chosen we were on our own to learn cheers and try and promote spirit for the coming year. We had two girls, Connie Shepard and Debbie Levins, who were new to cheerleading as a whole. Gina Pace was a cheerleader at Fairfield High School in Kansas. Janine Hesse, Subic High School in the Phillipines, Patty Berghorn, Anchor Bay High in Michigan and Great Mills High School in Maryland. Michele Malone, Candy Sexton, and Rose Stacklin were Junior Varsity cheerleaders at Poway High. Six girls having been cheerleaders before had a lot of good ideas used at other schools to make a successful squad. We attended camps in the summer at USD in Linda Vista and UCSD in LaJolla, in which we learned cheers, chants, and stunts. As a whole we had new cheers and the ability to do good mounts and stunts in our cheers. We had a big responsibility in representing Poway High and attending all sports this year. Cheerleading is fun and challenging and we hope you will remember this year as we will.

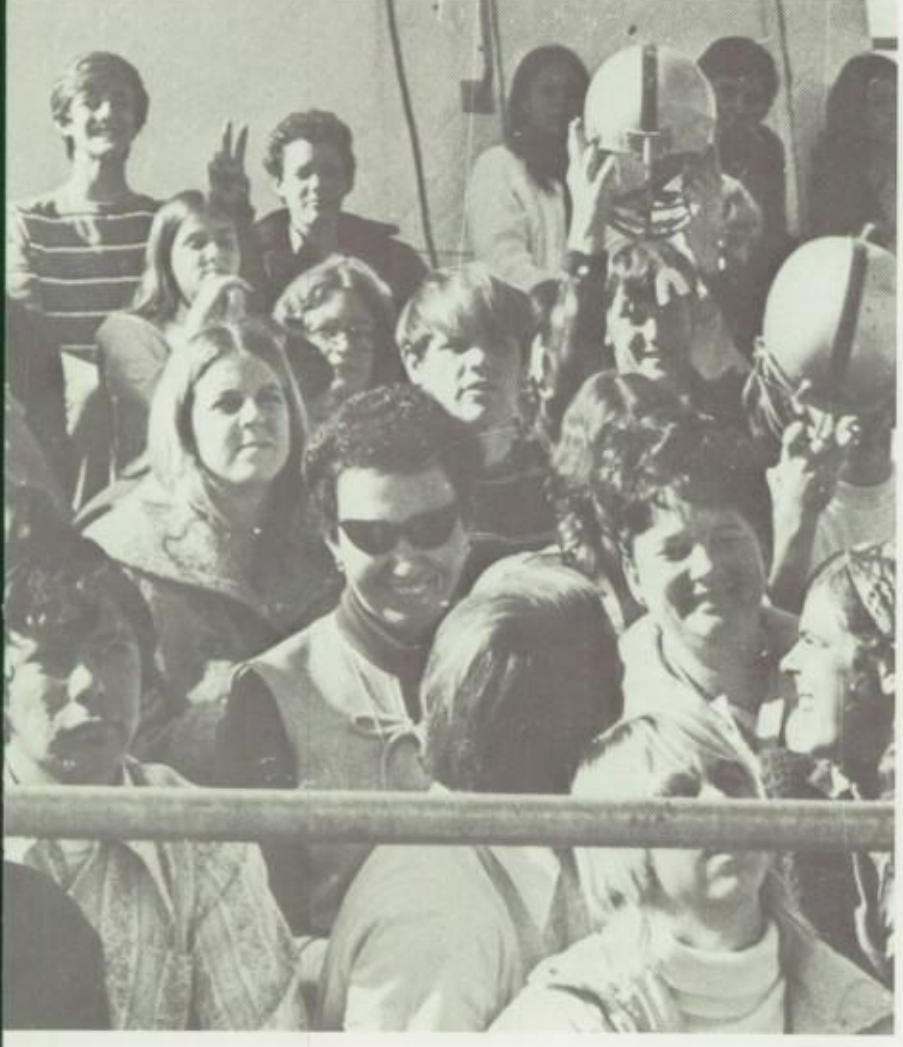
TITANS ARE THE BEST, OH YES

SPIRIT

Although PHS had very few pep assemblies this year, of the ones we did have most students showed spirit and enthusiasm as well as support athletes. Shown are many of the spirited Titans who took part in one of the few pep assemblies at PHS.







J.V. CHEERLEADERS

Here are the spirited J.V. cheerleaders. Above left with high hopes in winning the game. Monica Engle gives a victory smile. Above right; J.V. "Spirit Power" pyramid. Right; Barbie Rotter chants the Mighty Titans on to victory. Bottom; "We want a victory and we are gonna get it!" chants Sue Ashby and Lori Cameron.

FROSH CHEERLEADERS

Top Picture; Here are the spirited Frosh cheerleaders. From left to right are Kim Lehenbauer, Lucinda Lurz, JoAnita Atkisson, and Kelly Chin. Below the peppy freshmen cheerleaders. Left; Kim and Kelly. Right, Smile Jo.

PEP CLUB

Throughout the year the Pep Club has contributed their time, energy, and enthusiasm in support of the Titans. Pep Club is a pre-requisite to cheerleading as it encourages and prepares girls for promoting school spirit. Each week the members gave their time to either painting signs for sports events, selling Rooters Bus Tickets, or baking cookies for the players after their games. The officers of the club are: President-Lorrie Lurz, V. President-Sandi Lucia, Secretary Carrie Gibbions and Treasurer-Carol Wolf.

The most spirited group on campus is the Pep Club. Above: sign painting is one of their many jobs at Poway High. "We Can't Be Beat"
Left: Two of the members contribute their time and effort to paint a sign.

HOMECOMING

The Coronation Ceremonies were held for this year's Homecoming on November 15th at 7:30 in E-99. The Junior Varsity and Varsity Football Teams were both presented at that time. Mr. O'Drane then led the Die Lieder Singers in two outstanding vocal selections. The two AFS students, Enrica Porta and Renee Rivera were also introduced. Mr. Zorich, master of ceremonies, then introduced Yoko Sammuli, Poway High's 1971 Homecoming Queen, and her reign officially came to an end. As each Princess was presented, the concert band played chosen selections.

Representing the Freshman class were Julie Hernandez and Sue Wright. The two Sophomore princesses were Sue Ashby and Patty Gainder. Representing the Junior class were Princesses Janine Hess and Sue Thompson. The three girls vying for the title "Homecoming Queen" were Marla Garrison, Patti Lepper, and Debbie Tinker. Debbie Tinker was crowned Queen amid the loud applause from the enthusiastic audience.

For the Poway-San Pasqual Football clash, on Friday, the PHS Band and Titanettes had a fantastic pre-game and half time show planned, however, due to the inclement weather they were unable to perform. The game was the biggest of the whole season for the fans. The guys went out and won the game with a fantastic score of 20-6.

The Homecoming Dance was on Saturday. The Gym was decorated with hot-pink, white, and light pink streamers. The theme of the dance was "The Days of Wine and Roses." The round tables were covered with centerpieces of wine bottles and roses. The band was "Issacs People" and they played on risers draped with roses. The first dance was dedicated to the Queen and her escort.

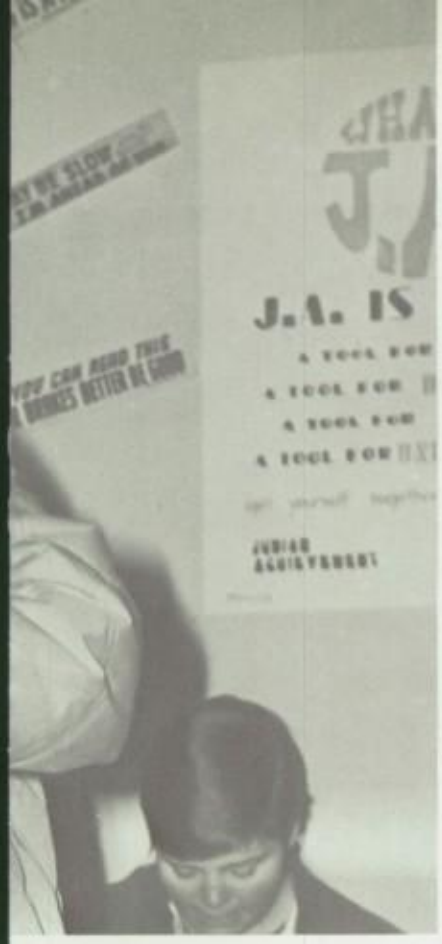
STUDENT STORE

The Student Store is centrally located on campus between the library and the Career Guidance Center.

Tim Behnke, and Judy Clevenger, first and second semester store managers, have done a fine job under the direction of Mr. Malanga, Student Store advisor. Primary responsibilities of a Student Store manager are personnel, merchandise, and record keeping.

Student worker interest has increased tremendously from six employees last year to fifty five employees this year. These employees are gaining work experience as retail clerks. All employees spend time stocking merchandise, taking inventory, keeping records, working on window displays, and running the cash register.

Although candy was a no-no this year, gross sales have increased over the previous year. We attribute this growth to student need, awareness that the store exists and is their store, and a greater variety and selection of products being sold. Other services the store provides is selling P.E. clothes for the ASB, and selling plants for the FFA during special times of the year.



Robert Borer, Laura Henze, and Cheryl Robinson show their abilities to sell the many products the Student Store offers.

Scuba Diving was a very interesting organization that some Poway High students choose to challenge. Here they show us their ability to suit up.

BAND

The Concert Band has for the past two years received Superior ratings in the San Diego County Music Festival. Last year the band received a I Superior in all categories at the California Regional Festival. They hoped to be able to repeat this feat again this year.

This band plays several concerts during the course of the year. Each year it entertains all the elementary students with a concert of especially prepared music. This year's special piece for the kids was "Peter and the Wolf." A two day tour of the Los Angeles area was also planned. The year culminates with the Annual Spaghetti Dinner-Concert, an evening of variety entertainment and good food. Then the big free concert combined with the Jazz-Rock Ensemble. Finally Commencement and they are through for the year.

The Jazz-Rock Ensemble was formed last year. It consists of the old big-band instrumentation but the music comes from it in a very different manner. Recently, the band entered its first competition at Chaffey College and was surprised with a Superior Rating and a Third Place Trophy. Later in the year the Band competed in the Southwestern College Jazz Festival. Many times during the year this band is called upon to perform in concert. The Varsity Band is a very fine one that has gained the reputation at PHS as one of the most spirited groups on campus. They play for all away football games, all home basketball games, and generally try to promote pep and spirit to all athletic contests.

CHORAL GROUPS

From the music of "the old masters" to present day composers, Mr. O'Drane directs his choirs in many varied and interesting programs throughout the year. The Die Lieders, a small madrigal group sings music of the classical period, whereas the popular Vocal Ensemble performs pieces by Simon and Garfunkel and other contempories. The concert Choir has 120 members this year and uses the music of all eras. All the groups are accompanied by the talented and versatile Susan Azeret.

MARCHING UNITS

This was a very good year for the Titanette Hand Corps. They came away with four trophies, capturing a second place trophy in the Autumn Band Review, and making them third in San Diego County. They also placed fourth in the Escondido Tournament of Bands and third in the Chino Band Review. The Titanettes also marched in the Mother Goose Parade for the third year with the band. The Advisors this year were the very capable Mrs. Lee Murphy and Mrs. Wanda Tomlinson. Captain of the team was Anne Peavy. Lieutenant was Eva Rosacker. The Squad Leaders this year were Cherie Roudebush, Debby Willenberg, Penny Riggs, and Cheri Beaugrand. Two officers that were brand new this year were Treasurer- Caryn Hammond and Ways and Means- Barbi Stokley.

ODYSSEY

Deadlines, pictures, copy, layouts, contacts with clubs and advertisers, trips to San Diego for equipment repairs and materials spell daily routine of the Odyssey staff. Jutta Diekamp has her hands full coordinating all the details and trying to keep a staff of 25 students busy. The staff took all pictures, a monumental task. Our hats off to those that went the extra mile and spent many hours in the preparation of this book.

THE ILIAD

The Iliad staff is made up of the Journalism II class. The staff is a dedicated one—always looking for new ideas to improve the paper. With constant deadlines and endless hours of work, they have put together a bi-monthly newspaper, The Iliad. To raise money for the publication of this paper, the staff sponsored such activities as the Christmas Dance and the Candy Gram Sale which was held on Valentine's Day. This year's Iliad staff is composed of Bruce Wilcox, Gina Pace, John Kirchmeier, Allen Cox, Pat Cullison, Linda Martinez, Debbie Willenberg, and Chris Kubiak. The Editor-in-Chief is Keith Rockmaker. The advisor is Miss Sharon Taylor.

Pictured below are Iliad photographers Bruce Wilcox and Pat Cullison, being friendly.

A.S.B.

The A.S.B. Cabinet worked hard this year on various activities involving many students. Long summer meetings helped them get a good start on the plans for the year that lay ahead. The cabinet set vigorous goals designed to reform and moderize student government.

The A.S.B. Cabinet, with valuable help from interested students, revised the ASB Constitution and set up the Student Council. They made improvements in the lunch program, organized student exchanges with other schools, coordinated the Homecoming and May Fete activities and put on many entertaining assemblies featuring "Shuffle," Jim Bolden and the Russian speaker.

The Cabinet consists of Craig Gordon, president, Craig Johnston, Boys' Secretary, Gina Pace, Secretary, Steve Clark, Treasurer, Ray Smith, Student Rep. to the Board of Education, Nancy Stark, Activities, Allen Cox, Public Relations, Dorinda Vincent, Business, Barbara Metz, Curriculum, Anne Peavy, Clubs. Debbie Patton was the Girls' Vice President for second semester. Mr. Kohler is the advisor.

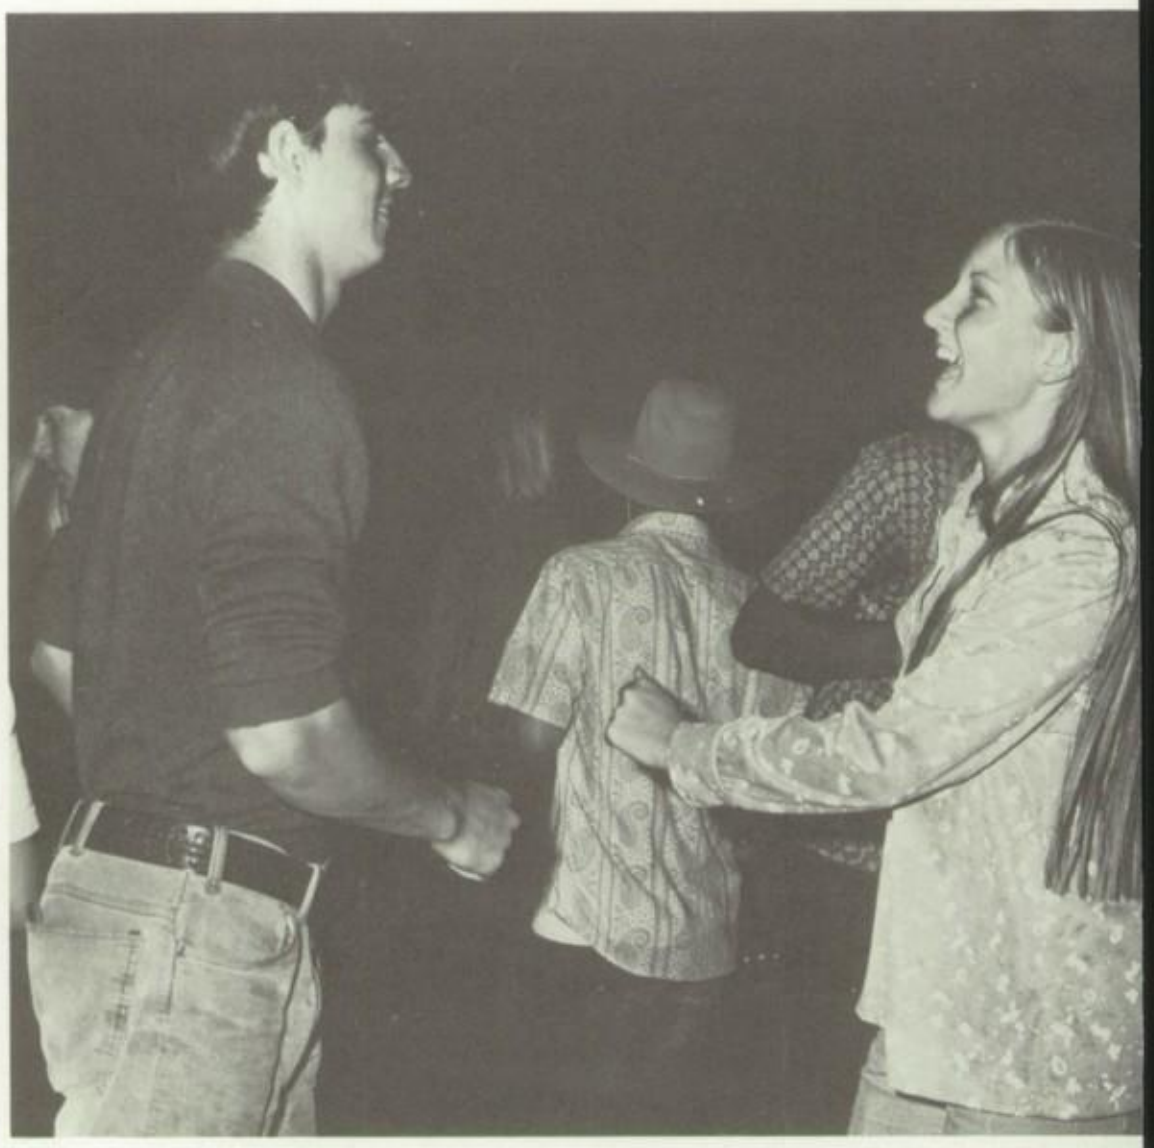
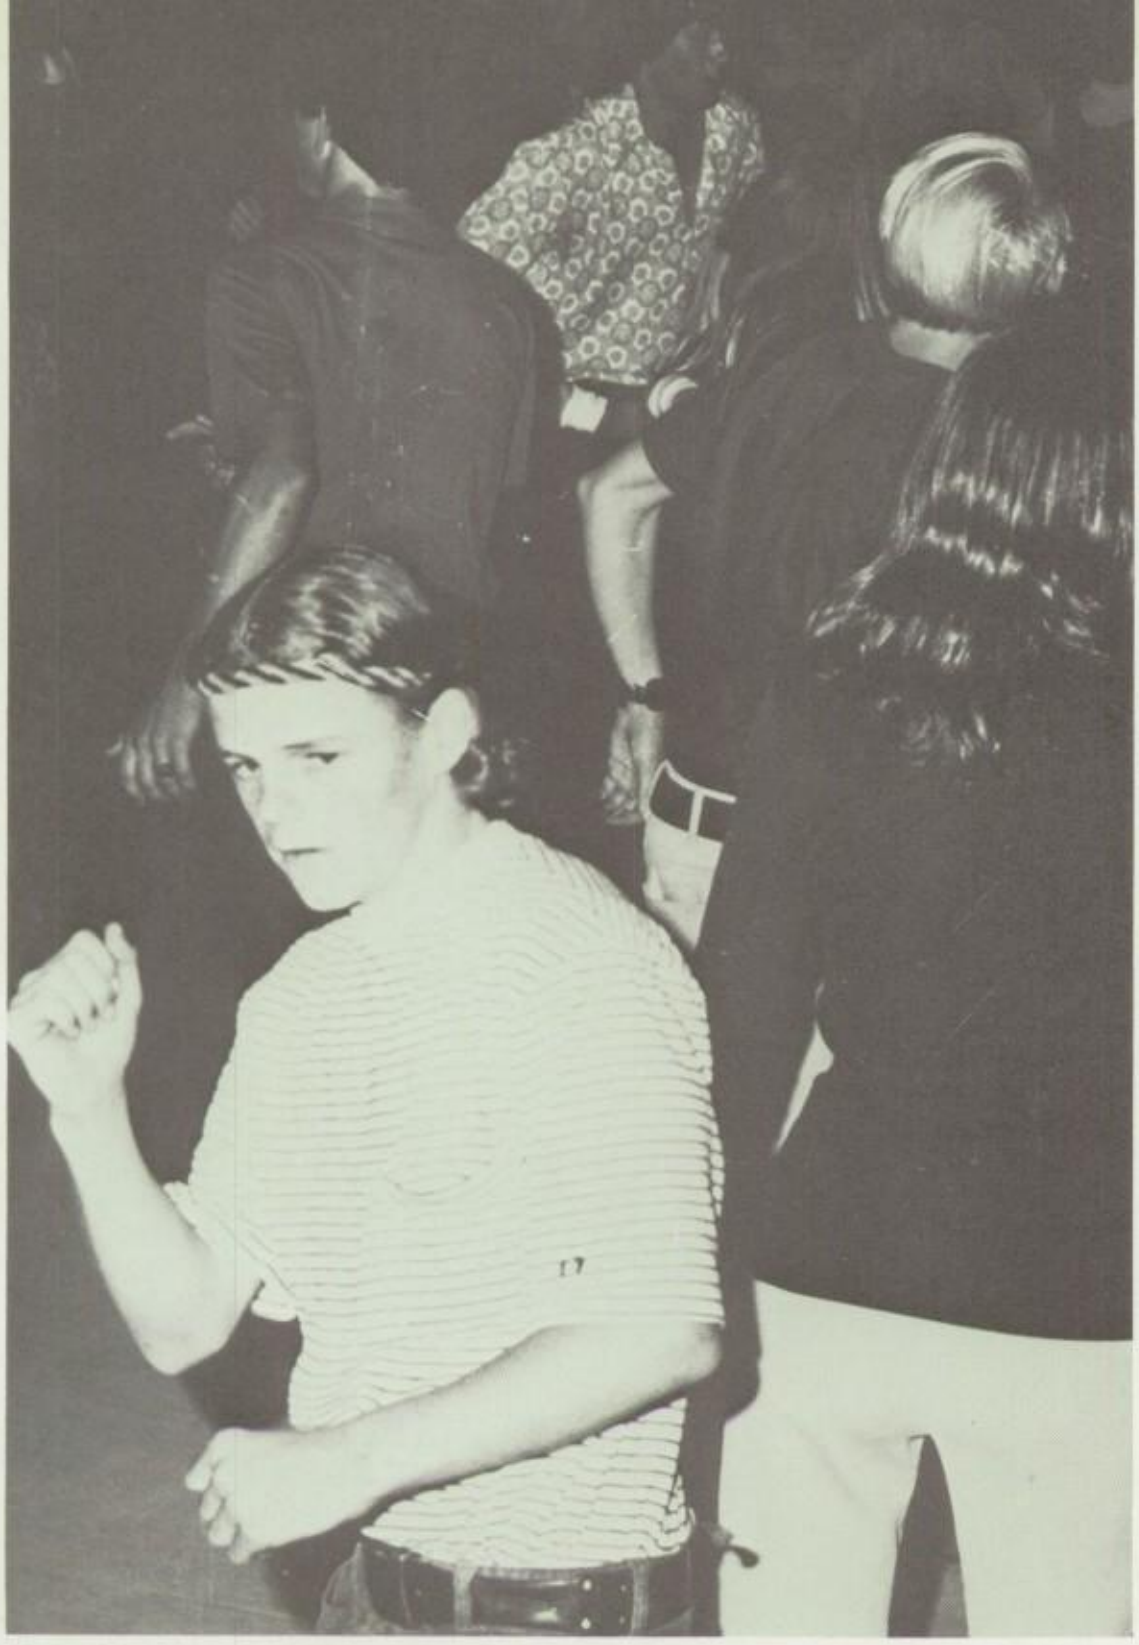
DANCES

The Poway High dances were enjoyed by many students who attended them. Dances were held after home football games and on special occasions in the gym.





DRAMA

Cast of the Crucible:

Betty Parris	Sharon Swartz
Reverand Parris	Mike Bollinger
Tituba	Toni Miller
Abigal Williams	Nancy Titus
Susanna Wallcott	Carrie Gibbons
Mrs. Ann Putnam	Sue Tillerson
Thomas Putnam	Gregg Welch

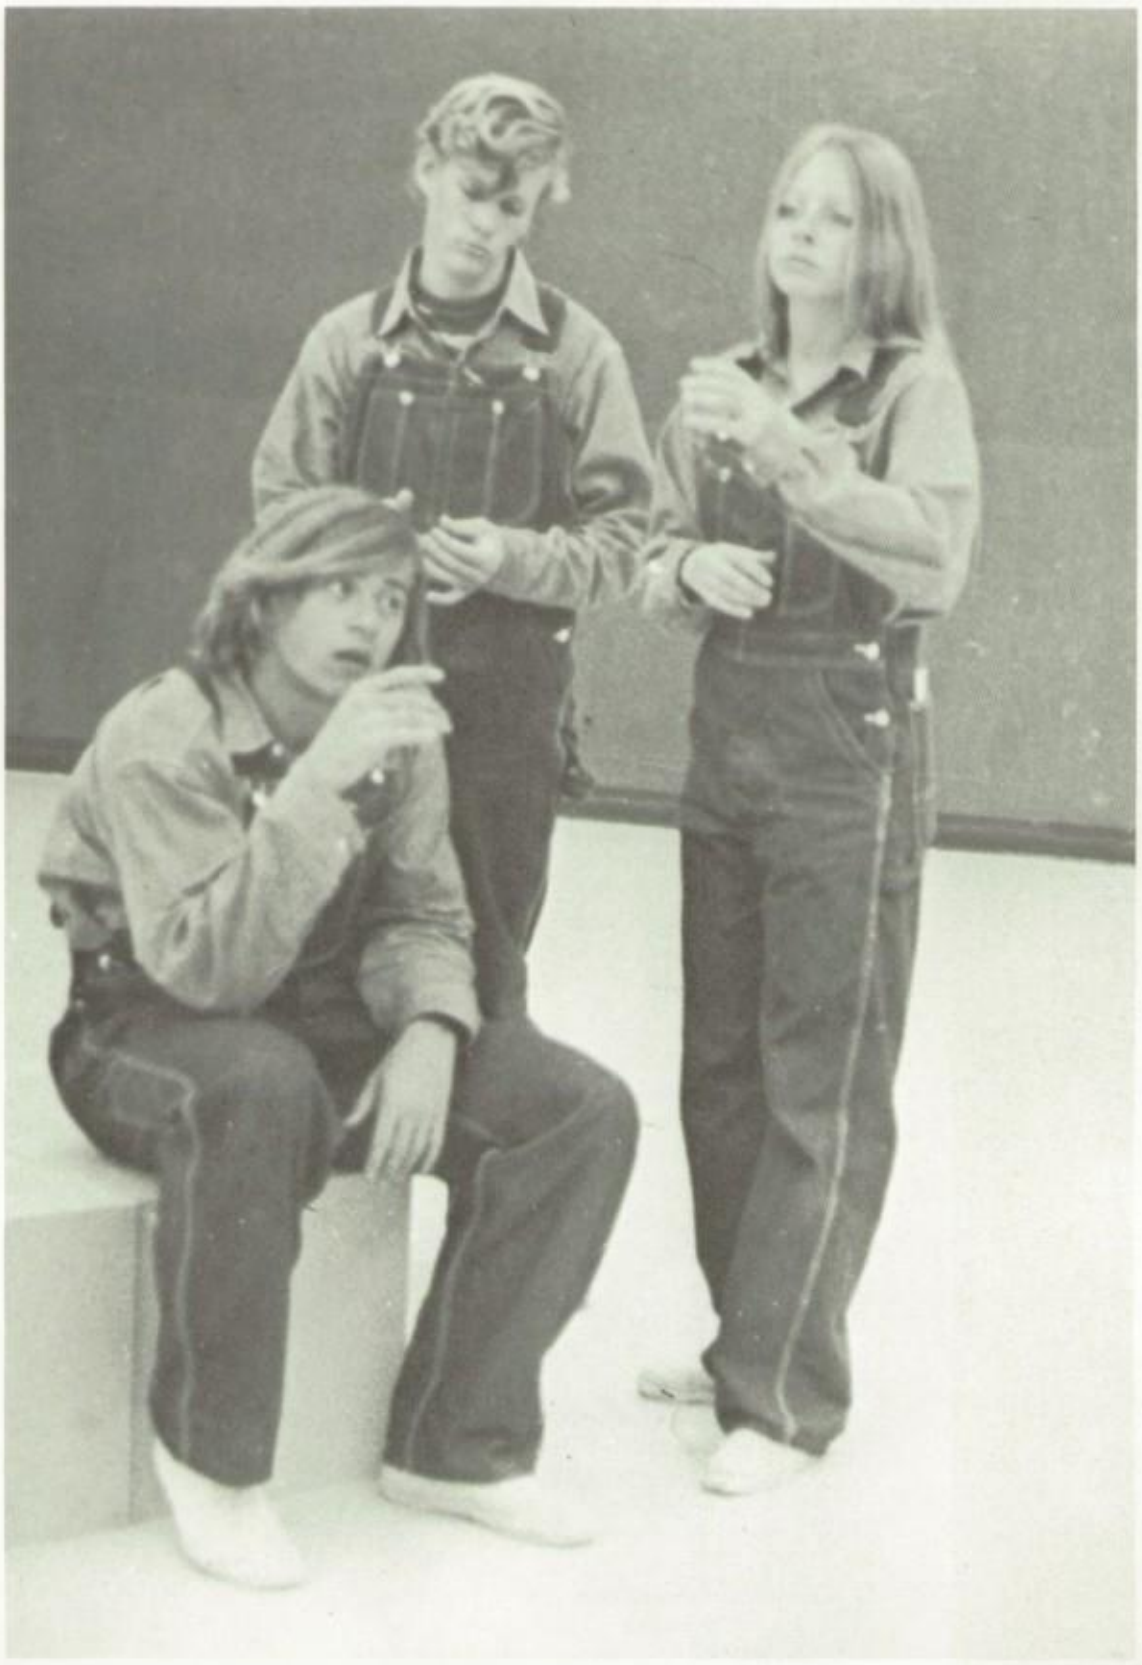
Ezkiel Cheever	Jeff Lehenbauer
John Willard	Dave Pickett
Judge Hathorne	Dave Gonzales
Deputy-Governor Danforth	Walter Mayes
Sarah Good	Susan Fargo
Hopkins	Craig Kennedy

The Crucible was an exciting drama about the puritan purge of witchcraft in old Salem is a combination of historical play and timely parable about certain immediate parallel issues in our contemporary society- the irresponsible pressures which are brought to bear on free men with the evasions and dishonesties into which cowardly men are daily slipping. A powerful drama. Strongly written. The story tells how small lies- children lies-build and build until a whole town is aroused and 19 men and women go to the gallows for being possessed of the Devil

They are good men and women, upright, hardworking, compassionate and god-fearing. The story focuses upon a young farmer, his wife, and a young servant-girl who maliciously causes the wife's arrest for witchcraft. The farmer brings the girl to court to admit the lie and here in this trial scene is the big moment- it is a thrilling, bloodcurling, terrifying scene as it depicts the monstrous course of bigotry and deceit. The farmer, instead of saving his wife, finds himself also accused, imprisoned, and condemned.

DRAMA

Interview by Jean-Claude Van Itallie examines through a form of verbal and physical choreography the mechanization of life in modern urban America. Four nervous job applicants from various classes of life are questioned by four bland interviewers in smiling masks. The interview begins to reduce the applicants to a gasping blinking chorus, and when they retreat into the air, the street completes the process. A young girl trying to find her way to Fourteenth Street runs a gauntlet of spastics, creeps, drunks, bizarre couples; a telephone operator is given surgery with the actors turning themselves into a failing respiratory machine; one unhappy man is given the usual ritual advice from his analyst while another is given customary silence by his priest; a candidate for governor dispenses hollow rhetoric on the subject of rats, red tape, four air, and Vietnam; and the play ends with the entire cast marching off, their mouths opening and closing in a dehrimanized language ("My fault" "Excuse me" "Can you help me?" "Next") from which all emotion has been evacutaed.



The cast list of Interview:

First interviewer ..... Sue Tillerson
First applicant ..... Dave Lyon
Second interviewer ..... Craig Johnston
Second applicant ..... Chris Howard
Third interviewer ..... Karen Clayton
Third applicant ..... Mark Mowrey
Fourth interviewer ..... Pam Pettit
Fourth applicant ..... Kent Brisby

A.F.S.

The American Field Service is an organization which endeavors to bring about understanding among people of many nations by providing living and learning experiences for teen-age students. There are two programs involved in AFS. One sends nearly 1,400 American students abroad to 44 different countries each year. The other annually brings nearly 3,000 students from 61 countries to the United States. Enrica Porta and Renee Rivera are two such students who are attending Poway High School this year. Enrica is from Arcore, Italy and Renee comes from Esmeraldas, Ecuador.

Activities of the AFS Club at PHS this year includes a beach party and AFS week which hosted nearly 40 other AFS foreign students from San Diego County.

AFS

Renee Rivera is one of our Foreign Exchange Students this year. He comes from Esmeraldas' Equador. His town is on the coast and has approximately 60 thousand people. Renee lives with his parents in Equador in a big house. The house has two stories and Renee shares the upstairs part of the house with his grandmother and aunt while his mother, father and brother and sister are downstairs. His brother Alfredo is 21 and his sister, Leticia is 15.

Renee is a senior here at Poway and he is staying with the Kolsky family. When Renee returns to Equador, he plans to go to Poly-Tech in Quito, the nation's Capitol, and become an electronical engineer.

A.F.S.

Enrica Porta is the pert American Field Service student you see around campus. She is from Arcore Italy.

Miss Porta, 17 is staying with the Kelvin McKay family of Poway.

The students there start elementary school at the age of 6. They attend the same school with the same teacher and same classmates for five years, and then they go to junior high school for three years. In junior high school they study Latin, Italian, one foreign language, geography, mathematics, science, physical education and religion. Since almost all the people are Catholic, they have religion in the schools. After junior high school, you have to decide what subject you will specialize in during your high school years, which can be three to five years depending on the subject. Each high school has a special program, such as science or literature or technical training. Enrica is in the school of science, so her most intensive study is in that subject. But each year they add more classes in other subjects so they get a well-rounded education.

Fashion-A stylistic concept based on color, layers, length, and cut of the garment.
Hair is long and straight-agypsy shag-curls and layers-a myriad of expressionistic dress to represent the real person.

CAMPUS FASHION

From a knit cap and purse to a rabbit fur coat-add these to capes-ski parka's, leather jackets and you have fashion.

LETTERMEN

This was a very productive year for the Poway High School lettermen. On and off campus, the athletes symbolize the great honor and effort that go with every part of being a letterman. With pride unsurpassed by any club or organization on campus, their work and dedication is very evident. Some of the activities sponsored by the Lettermen's club were the Christmas Tree sales, and this year, the lettermen played the Band Freaks twice and defeated them both times. All in all, the year 1973 will probably be remembered as the year of the Lettermen.

ADMINISTRATION

Steven R. Zorich, Principal

We have behind us a wonderful year. We have in front of us a wonderful life—here at Poway and beyond. All we have accomplished, and it has been much, and all we will accomplish, and it will be more, rests in our own hands. To each and every one of you I wish to give my thanks for the splendid year we have had.

To all of you as you in turn approach your Senior year, I would say this: Nothing is impossible for you to achieve. Your ambitions, your hopes are all tied to your efforts. I exhort all of you to set your sights high, individually drive hard, and your parents, the school, and the community will always be able to point with pride to your accomplishments.

Good luck to all the Titans!

COUNSELORS

The staff of the counseling department consists of six qualified and carefully chosen people. Each day, students come to these counselors with questions concerning educational and vocational plans and personal situations. The department maintains many resource materials, available for the use by students almost anytime. Many speakers from colleges, businesses, and vocational schools have come to Poway High on request of the counselors. They also sponsor the annual Career Night and Awards Night, schedule the Career Van from the County Office of Education and coordinates the Work Experience and Exploratory Work programs. The counselors are; Jim Brown, Dar Palen, Marjorie Flentie, Conrad Lee, Ken Davis, and Kathy Morgan.

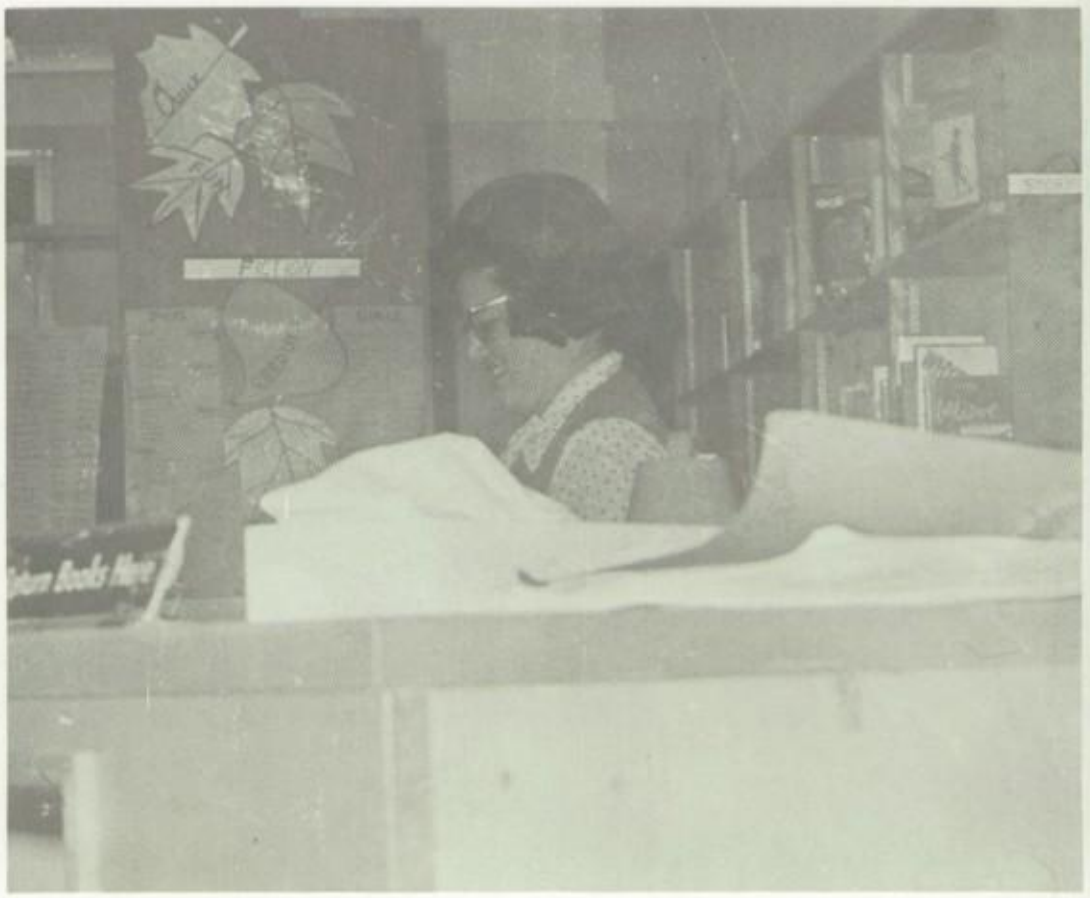
HOME EC.

Changes in foods, fads, fashion, trends and ideas continue to challenge the staff and students who work in the labs and class rooms each semester at P.H.S. Five hundred boys and girls are involved in subjects including four levels of food and nutrition, three levels of clothing, home planning, child development, nursery school practices, and interior decoration. Consumer science plays an important role in all classes. We are grateful for the fine facilities, support and flexibility of our program.

LIBRARY

The library is a popular place on campus as hundreds of students gather there each day to study or find books and other materials. To help students find what they need are Mrs. Howard, head librarian, Mrs. Dalbey, Mrs. Chinala, Mrs. Wills, Mrs. Lion, and Mrs. Falkner. In addition to the main library, students can work in any one of the four resource centers or in the media center where they can use audiovisual materials individually or in small groups. To help students get the right tapes, and reading materials are Mrs. Murry (Media Center), Mrs. Gripkey (Math Resource Center), Mrs. Hager (Social Science Resource Center) and Mrs. Slight (English Resource Center).



HEALTH

Mrs. Betty Snyder, head of the Health office, is a registered nurse and has been with P.H.S. for almost six years. Last year was Mrs. Rosalys Messner first but she showed herself to be thoroughly competent. Primarily Mrs. Messner takes care of students who come for help with medical problems and injuries. When more serious problems come up both nurses work together. Mrs. Messner handles the free lunch program, which is extremely time consuming, and the record keeping. Mrs. Snyder is at Abraxas High School two mornings a week and handles the students who need to be referred to a doctor, dentist or public health official. She takes care of home visits for ill students and those in special education, keeps track of medical excuses for P.E., conducts a class for weight reduction, is a member of the guidance council and sponsors the health careers club.

WORK EXPERIENCE

Malanga, Orlando

Palen, Dar

This year's work experience program enabled interested students to explore possibilities for future careers. Vocational Education Counselor, Dar Palen and Work Experience Coordinator, Orlando Malanga, worked with Glenda Harrison, secretary, in assisting students in their investigations of their chosen fields.

Through Work Experience, students will have an opportunity to gain work experience and school credit at the same time. This will enable the student to have a smoother transition from a school environment.

The Career Guidance Center serves as a central area for giving out career information, as a job placement center, for vocational counseling, and to provide liaison between the school, student, and employer.

ART

The Art Department's year is highlighted by the annual Art Fair. This year's event is being held at the Mercado in Rancho Bernardo. Over 200 individual pieces of work are being shown, including a wide variety of media: sculpture, drawings, paintings, crafts, design works and ceramics.

Many art students look forward to the Renaissance Fair to sell their work. This is a traditional November activity, however this year it is being held in March.

In addition to a minimum number of basic courses, many specialized courses are offered, these include: drawing, painting, ceramics, sculpture and jewelry.

It is a welcome break from the academics for many students to attend a session in one of the art labs.

COMMUNICATION ARTS

The Communication Arts Department of Poway High offers students a wide range of courses in the area of communication. The curriculum is balanced in all areas of literature, writing, speech, and drama. Additionally, a yearly literary magazine, MUSE, spotlights the best poetry and prose produced by Poway students during the previous year. The course-offerings are, for the most part, small group oriented, although occasional lectures or large group meetings are planned, wherein several classes may benefit from hearing a guest speaker or seeing a film. Freshmen, this year, are required to take English 200, which is a combination of composition and literature. The sophomores take normal 10th grade classes: oral communications and composition. Juniors and seniors, as always, enrolled in English related subjects of their choice. The department chairman this year is Mr. Arnold Kunert.

AGRICULTURE

At the beginning of the 1972-73 school year a Vocational Agricultural Program was available to Poway High Students. This program, with special emphasis on Ornamental Horticulture, is now a part of the regular curriculum. A propagation unit, soil bins, a saran house, and a tool shed are just a few of the facilities and equipment available to students taking Vocational Agriculture classes. Classes in Agriculture are designed to give each student practical skills in order to enter the challenging Agricultural industry. Fifty per cent of the class time is spent out-doors applying what has been learned in the class-room. Four separate courses, taught by Mr. Lassanske, are now available to the Agriculturally oriented student.

BUSINESS

The Business Department offers such classes as Business Law, Typing, Data Processing, Key Punch, Bookkeeping, Shorthand, General Business, Office Communication and General Business.

This department works through the Career Guidance Center in helping students get vocational training in this field. The teachers in this department are dedicated to the task of getting their students ready for the 'World of Business.'

The Business Department sponsors the Future Business Leaders of America club and cooperated in setting up a Junior Achievement Program at Poway High.

SOCIAL SCIENCE

The teachers in the Social Science Department tried to combine fun and learning in their curriculum this year.

All freshmen are required to take Developing World. It consists of four quarter courses focusing in on the study of India, China, Middle East, Africa, and Japan. Sophomores are enrolled in Western Civilization, which is a survey of the development of European Civilizations. Juniors are concentrating on American History which centers around the events in American from 1607 to 1973. Seniors are allowed to choose between Civics, American Problems and International Relations. Juniors and Seniors could also choose Social Science Seminar. These quarter courses contained Current Issues, Social Psycology, Anthropology, Economics, Ethics and Future as History.

This department also sponsored the all school 1972 Presidential Mock Election.

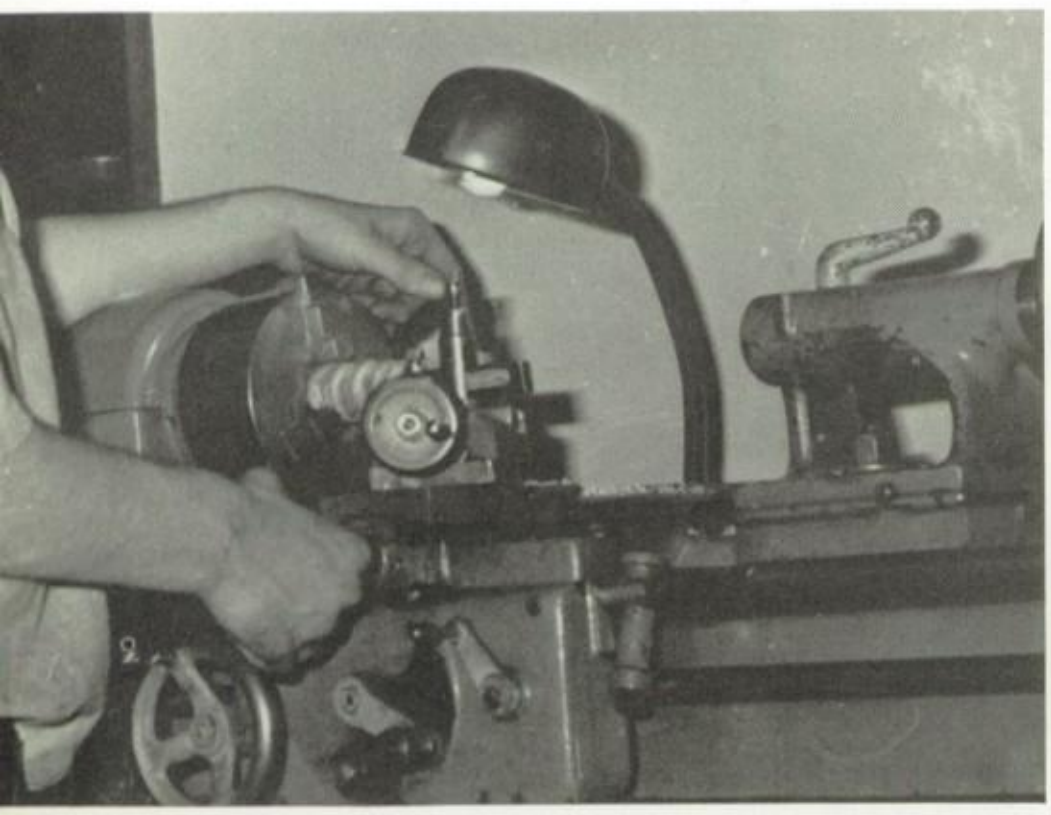
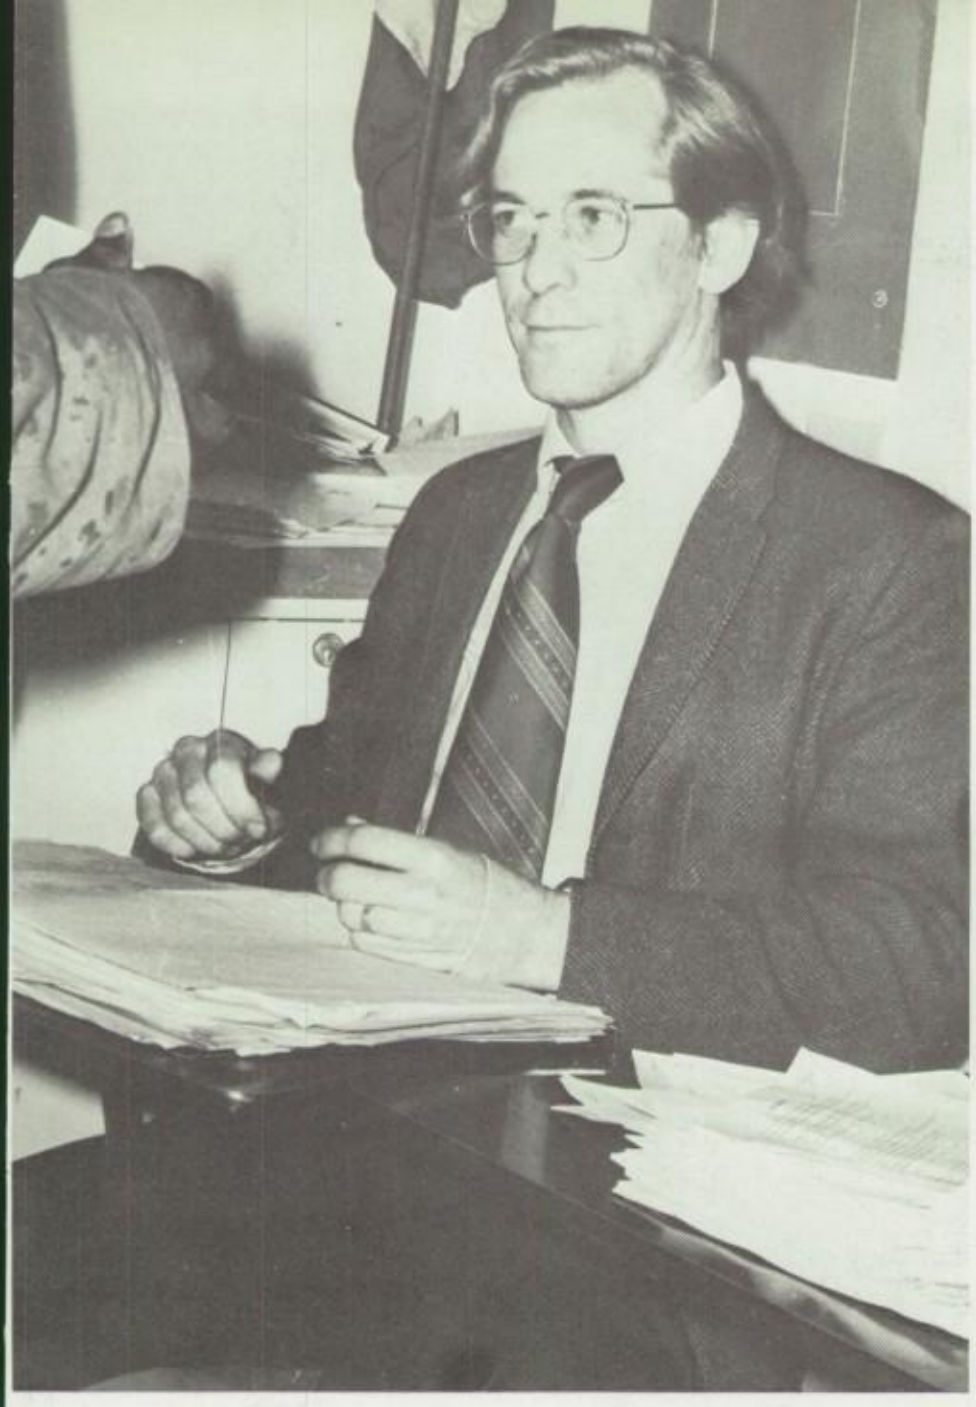
INDUSTRIAL ARTS

The ultimate goal of industrial arts education are essentially the same as those for general education. In these courses special emphasis is placed upon the objectives of vocational education in the industrial arts program. The objectives are to develop skills and knowledge in the use and care of tools, machines, and equipment. These skills are used in planning, designing, and making of functional projects, or repairs. The results give personal satisfaction and develop an understanding of how these skills are used in the industrial world and the job opportunities in this field.

Students develop some skills and knowledge of the use of work experience as it applies to industry, with special emphasis upon technical application of these skills and knowledge to the phase of our industrial society.





FOREIGN LANGUAGE

This year the foreign language department offered both classical (Latin and Greek) and modern (French, German, and Spanish) Languages. Members of the foreign language staff encourage students to develop interest in the people and cultures of other countries. They try to help students become familiar with the basic vocabulary and structure of the languages. Speaking and listening skills are stressed in the teaching of the modern languages and to a small degree in the classical. The language laboratory is a valuable resource center where students can practice speaking their homework or just for their own benefit. They may listen to tapes and view filmstrips as part of their language study.

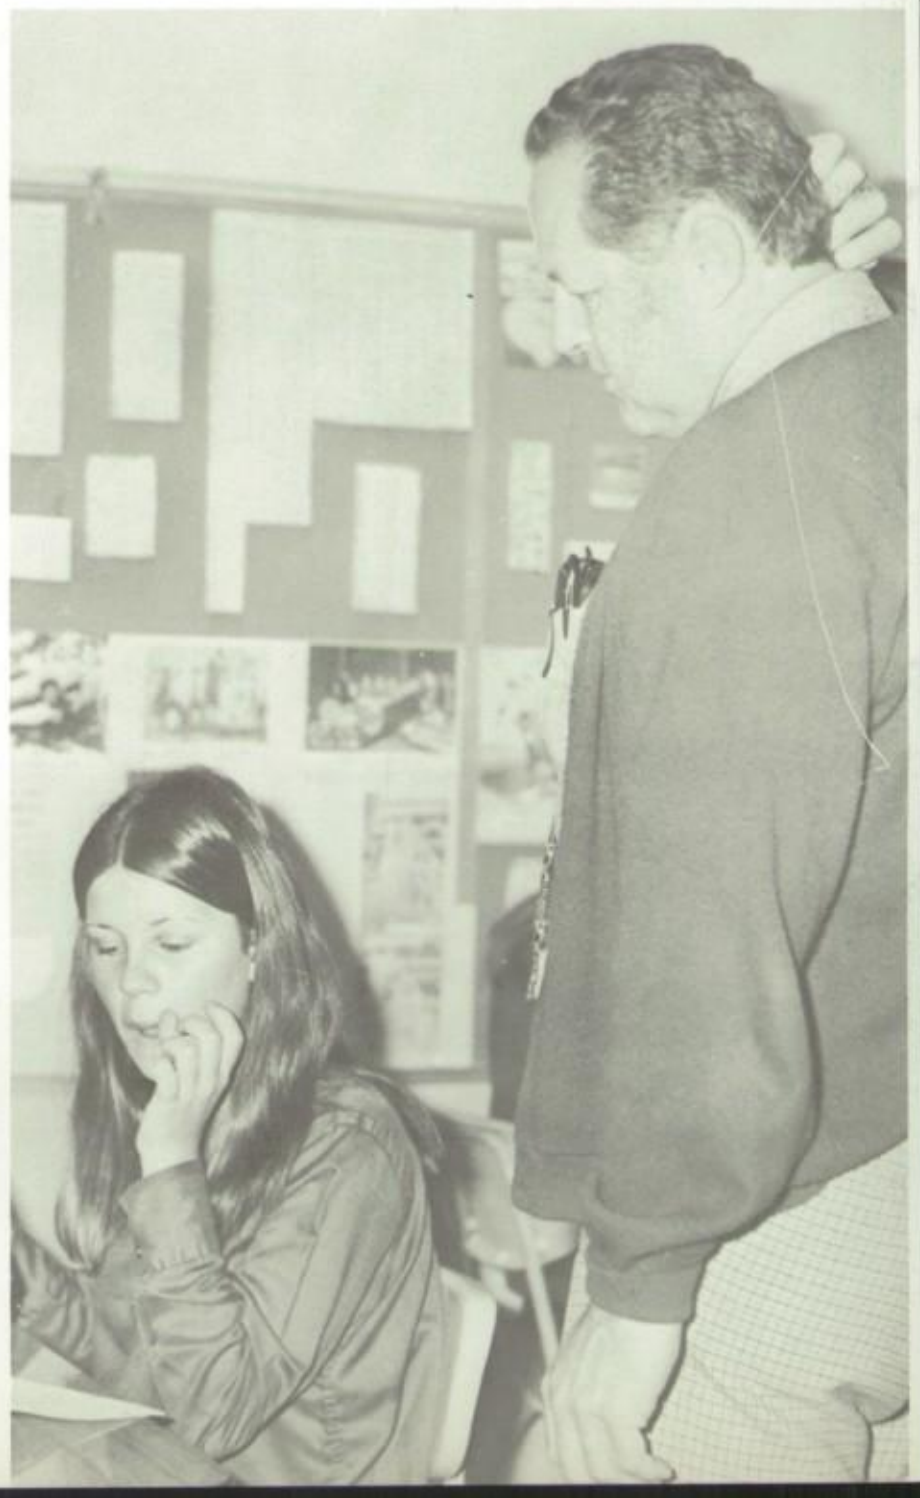
SPECIAL EDUCATION

The Special Education Program is designed to allow each teacher to work with each student on an individual basis. All learning activities within the Special Education Programs Department are highly individualized because pupils enrolled in these programs are unable to function in the regular classroom situation for a variety of reasons. Through the use of programmed texts, tutorial help, and counseling the students derive a feeling of success and accomplishment. The Special Programs curriculum ranges from vocational classes, such as FEAST, business courses, and work experience to college preparatory academic subjects such as Western Civilization, and higher mathematics and composition. Each student is given the opportunity to utilize his artistic abilities through such courses as design, painting and drawing—and music courses such as guitar and voice. All students usually take physical education, health and driver education which provided each student with the opportunity to achieve a well rounded education.



MATH

Mckay, Bruce
Staley, Seanne

The goals for this year's Math Department was to provide a non-threatening introduction to high school math for those who think they don't like math. To provide the necessary mathematical sophistication to persue a college degree and to provide a resource enviroment for the more advanced students wanting to receive college credit for the courses taken at Poway High School. Students planning careers in technical fields are enrolled in at least one of seven mathematics courses being offered this year: Essentials, Foundations, Algebra 1-2, Geometry, Algebra 3-4, Analysis, and Calculas. The Math Department has several programs of study.

Students in Essentials and Foundations have traditional classes, then in more advanced classes there is independent study for the more capable students. There is advanced placement which you may receive college credits if you pass a certain exam.

The Math Department also supports a math team which competes in contests in San Diego. The team competes for awards. The advisor is Mr. Dani Brutlag.

Above, Mrs. McMorrow talks over the days events with Mrs. Staley.

P.E. DEPARTMENT

The staff of the P.E. department at Poway High is composed of skilled physical educators sincerely interested in the total development of each person. The department tries to meet the diversified needs of the students by offering many different types of classes. A new class offered this year was swimming, which included instruction in beginning, intermediate and advanced swimming, lifesaving, first aid and scuba diving. Some of the more popular classes of the department are: weight training, modern dance and all the swimming classes. All the athletic teams on campus, (tennis, golf, baseball, gymnastics, etc.), are coached by at least one member of this department.

CLASSIFIED STAFF

Poway High provides more than just the 3R's, for its over 2500 students. Titans are cared for in many different ways by many concerned and skilled people. The Classified staff at Poway High School are concerned with assisting the administrators, counselors and teachers in their job to educate students. They are people who enjoy and believe in young people and are dedicated to their welfare. The Classified staff form the back-bone of the behind the scenes activities at Poway High. Their contribution of many long hours has provided a smooth operating administrative office.

CAFETERIA

Poway High School serves about 500 students and teachers each day. The cafeteria is arranged in such a way that students may purchase pasteries, ice cream, and drinks from the windows, served by the staff, from 7:30 AM until 1:30 PM. Many tables have been set up under a sun screen, which is a new addition to Poway High this year. The student center adjoins the cafeteria and the outside lunch area. Tables are provided here for the convenience of the students. The meals that are served each day meet the Type A requirements set up by the state.

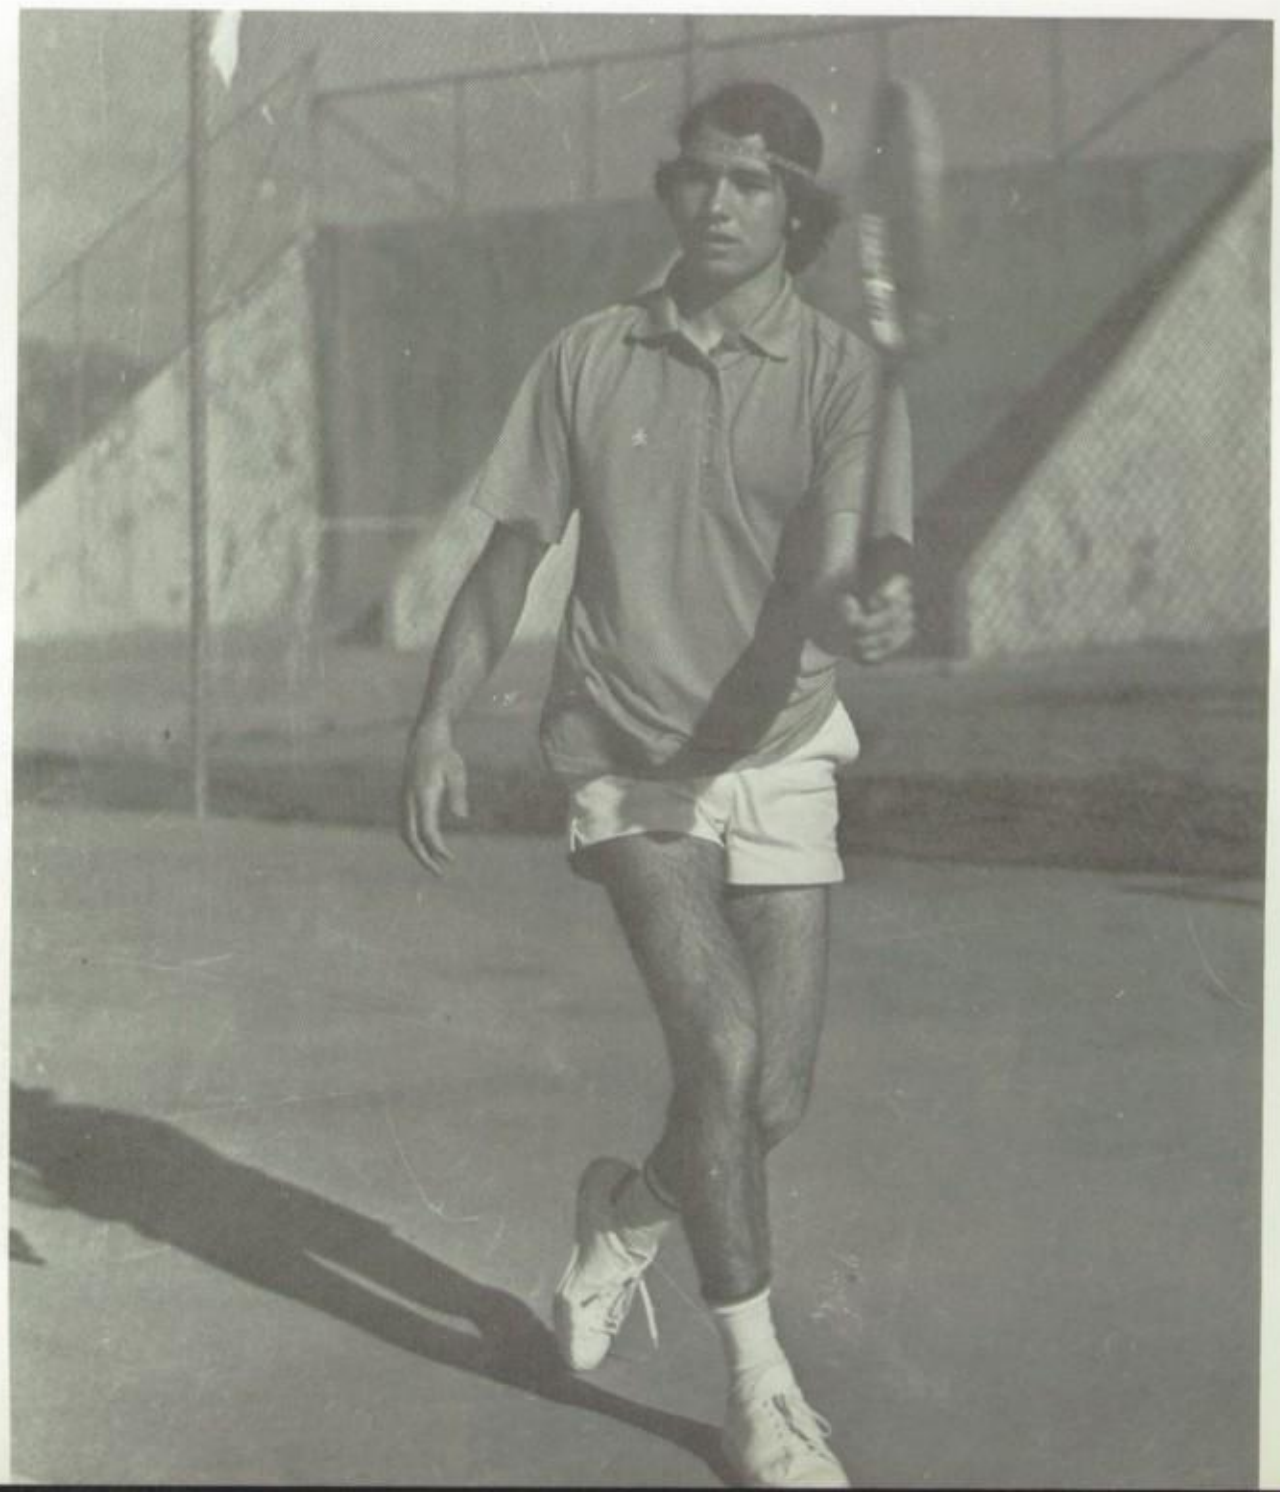
VARSITY TENNIS

The Varsity Tennis Team and Number 1 Team at that, has really put the effort this year to make it another winning season, with Coach Campbell. The Seniors Tennis players, Tom MacPherson, Tim Fosdick, Gary Krietzer, Wes Brinsfield, Rich Walker, have shown their skill throughout the years.



This year Varsity Tennis Team has proved again how consistent the wins are each year with the best team in the county with a lot of help from Coach Campbell.

They are back left to right, Paul Robinson, Wes Brinsfield, Gary Krietzer, Tom MacPherson, Coach Campbell. Front Scott Selby, Rich Walker, Tim Fosdick, Owen Chambers.

J.V. TENNIS

The 1973 J.V. Tennis players showed ability and confidence this year, as a good team. With Coach Marincovich, a lot of these boys improved their skills and will be playing for the Varsity Tennis Team next year.

This year's J.V. Tennis Team was coached by Coach Marincovich. The team really played well this season. They are from left to right, back row John LaChapelle, John Stern, Larry MacPherson, Larry Halperin, Steve Becker, Coach Marincovich, front row, John Bliss, Brian Vaughn, Rich Montany, Dave Young, and Dave Misbeek.

VARSITY WATER POLO

Poway's Water Polo team established a winning tradition in its first year of existence. The team started off with 8 straight victories upsetting Oceanside and Vista along the way. The team was represented by ten seniors and four underclassmen who worked 8 weeks during the summer learning the skills which made them contenders in both the C.I.F. and Avocado League. They finished in a tie for second with Vista in the league and qualified for the C.I.F. Championship. This team's greatest qualities were determination, aggressiveness and an unyielding endurance and desire to win. They ended up with a 13-5 total C.I.F. record which was the fifth best record in the county.

8 * wins

The J.V. team was even more successful their first year of play. They ended up with a 17-2 record overall and 10-2 in the league. Their greatest victory was their final one over league champion Fallbrook 9-8. This was the first loss for the Fallbrook J.V. in two years of competition. The J.V. style of play was one of quickness and tremendous offensive team play. Man for man the starting J.V. team was faster than the varsity squad for pure speed. All the starters were freshmen and sophomores so the future looks bright for Poway's water polo.

VARSITY SOCCER

Under the direction of Coach Robert Champion, Poway's first year Varsity Soccer Team made a shambles of the Avocado League. The Titans overpowered the league while compiling a 13-0-1 record and outscoring their opponents 48-4. They finished a full four games ahead of second place San Dieguito.

The Titans leading scorer, Roberto Caicedo, was named "Player of the Year" by the league's coaches. Poway also dominated the All-League selections. First Team Forwards-Roberto Caicedo and Jon Arthur' Halfback-Brad Perry; Fullbacks-Bob Chrivia and John Chrivia; Utility Player-Marc Praterelli. Rick Caicedo and Brian Miller received honorable mention.

Caicedo led the Titans scorers with 20 goals and 9 assists, for 29 points. Jon Arthur had 9 goals and 16 assists for 25 points. Allen Cox had 12 points and Brad Perry had 11. The scores of the games were as following:

This year's team was led by versatile Robert Thornberg and a strong contingent of runners that included Mel Hallam, Phil Pohle, Charles Bregy, Fred Zuill, Mark Tylman, Mark Crandall, and Bill Martin. Top performers in the field events included Mark Truncale, Mike Damewood, Keith Clark, and Dan Turner. Mike Greid joined Thornberg to make Poway's hurdle strength. The Poway Trackmen finished third behind Oceanside and Vista, the top two teams in San Diego CIF track. They also carried home many awards in four invitational track meets to rank as one of the best Poway track teams ever.

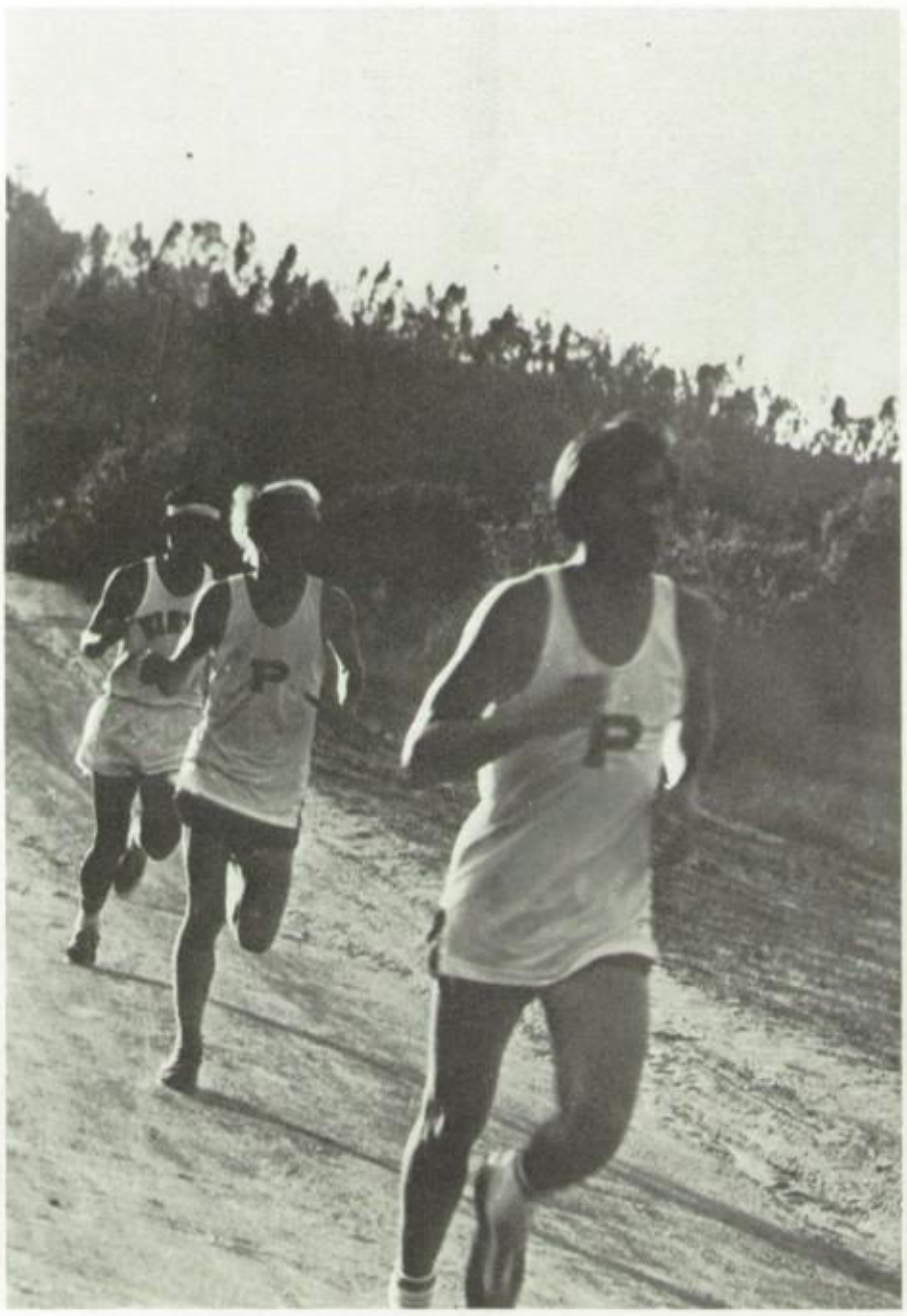
CROSS COUNTRY

The 1972 Titan Cross Country Team finished runner-up in the Avacado League with 8 wins and one loss. Poway's only loss was to a strong 1971 defending CIF Runner-up, San Dieguito. The 1972 Titan runners were paced by a group of strong runners who set numerous school records. Mark Tylman again established a new school record. This year his mark of 9:36 lowered his 1971 mark of 10:05. Mark was pressed hard throughout the season by junior Bill Martin and senior Mel Hallam. The closeness of these boys is illustrated by the fact that Martin finished the season with a 9:37, a second off Mark's school record. Mark Crandall, Charles Chapman, Brain McMahhon, Curtis Fonseca and Fred Zuill rounded out a strong pack. In addition, Charles "Gus" Bregy established a new junior varsity mark and Bill Le Menager broke Tylman's frosh record.



Highlights of the season included two one-point victories, 27-28 over San Marcos and 28-29 over Fallbrook. In our 15-50 win over Escondido, 28 seconds separated our eight entries, all of who finished ahead of the Cougars No. 1 man. Against Vista High, in a meet we won 20-39, Poway had seven runners finish under ten minutes for our best team performance ever. Finally, our runners beat out Crawford and Granite Hills to go to the CIF finals for the first time ever. Mark Tylman and Bill Martin finished the year in the Avacado League Top 10, as No. 5 and No. 6 runners respectfully.

G.A.A.

The Girls' Athletic Association is one of the most active clubs on campus, with a record breaking membership of over 100.

Many events for the 1972-73 year were planned for the G.A.A., among which was a Walnut and Pecan sale held in November and December which profited $220.00. Calendars were sold in March.

Some of the enjoyable activities sponsored by the G.A.A. was a snow trip held in January and a beach party trip in June. Naturally a good time was had by all who attended.

On the evening of June 5, G.A.A. held their annual awards banquet, awards were given to those girls and teachers who performed outstandingly well during the year. G.A.A. officers are President-Jeanne O'Sullivan, Secretary-Janine, Ott, Treasurer-Wendy Moore.

GIRLS' TENNIS

This year's Poway Girls' Tennis team finally got underway. After two or three years of unsuccessful efforts at trying to establish a tennis team the idea finally took hold. The team coached by Maureen Arthur finished the season with a record of: Singles- Fifth in the league, and in Doubles- Sixth in the league. Pretty good for the first year.

The members of the 1972 Tennis Team were: Back Row (left to right) Ginger Curtiss, Sherry McGuiness, Fran Meyers, Laurie Breece, Sharon Tucker. Front Row (left to right) Alice Koniges, Kathy Tucker, Nancy Platz, Heidi Phillips, Janine Ott. Not pictured were Sue Kester and Joan Tetu.

GIRLS' SWIM TEAM

The 1972 Girls' Swim Team won all of their meets (six league, one practice meet). They were the league dual meet champs, at the league finals they came in first overall (A team first, B team first, C team tied for second). The Poway team brought home five trophies, 27 gold medals, 7 silver, and 2 bronze medals. Also six-4th place ribbons, two-5th place ribbons, three-6th place ribbons, and 2-seventh place ribbons. They placed seventh in San Diego County finals.

The Swim Team members are: Cathy Allen, Marty Baker, Kelly Chinn, Kim Christoph, Cherie DeToy, Jill Fisher, Pauls George, Deanna Hay, Debra Hosepian, Judy Irwin, Karen Jones, Sarah Kibler, Cheryl Klingenmeier, Susie McCoy, Debbie McGuiness, Cindy Mowrey, KiKi Nellis, Chris O'Sullivan, Co-Captains Jeanne and Kelly O'Sullivan, Laura Peteriet, Robin Pollack, Joni Proctor, Michele Ryan, Joyce Schiffer, Kim Schlegal, Jeannie Shade, Gayle Siltanen, Susan Stewart, Sarah Webb, Heide Wetter, Lisa Wilson, Beckey Wright and Jenny Wright. They were coached by Linda Sparks. Pictured at left is a Girls' Swim meet at the home pool.

GIRLS BASKETBALL

The Girls Basketball team faired well this year by placing sixth in the Grossmont College Invitational Basketball Tournament. Varsity player Jan Herzog was named as one of the 1973 All-Star Selections. Pictured left to right are Varsity Team members Janine Ott, Jeannie O'Sullivan, Jan Herzog, Michele Walters, Joan Brower, Sandy Sorensen, Chris O'Sullivan and Miss Davis, coach. Members of the Junior Varsity team are Debbie Brantley, Kelly Chinn, Dana Dodge, Ann Hinman, Julane Jefferies, Sharla Keith, Sue Koester, Sarah Krainock, Shelley Mucholland, Kelly O'Sullivan, Nancy Platz, Liz Preston, Sue Reich, Bonnie Riker, Linda Robbins, Cindy Salisbury, Mary Sledge and Darcy Stevens.

GYMNASTICS

The Poway Girls Gymnastics team faired well in the many meets against Kearny, Montgomery, La Jolla, Grossmont, and Orange Glen High Schools.

Pictured at the bottom of the page Dolores Salinas shows her skill on the uneven parallel bars and Cathy Shepard works hard on her floor exercise.

Pictured below is the 1973 Girls Gymnastics team, they are in order, Joy Andrian, Kathy Auten, Terrie Bailey, Lissa Bartlett, Cherie DeToy, Jill Fisher, Charlene Foreman, Lori Grindle, Debra Hosepian, Jeannie Johnson, Sue Jones, Nancy Mac Duff, Sue Mac Farland, Liz Mac Murray, Kim Maher, Marriane Parrot, Laura Petereit, Carol Prescott, Pam Rock, Marta Roos, Pat Ruel, Dolores Salinas, Connie Shepard, Cathy Shepard, Rose Stacklin, Gayle Siltanen, Sherri Stampli, Cynthia Thorworth, Karen Thorworth, Laura Thorworth, Karen Tracy, Cindy Vessel, Kathy Walker and Carol Wolf.

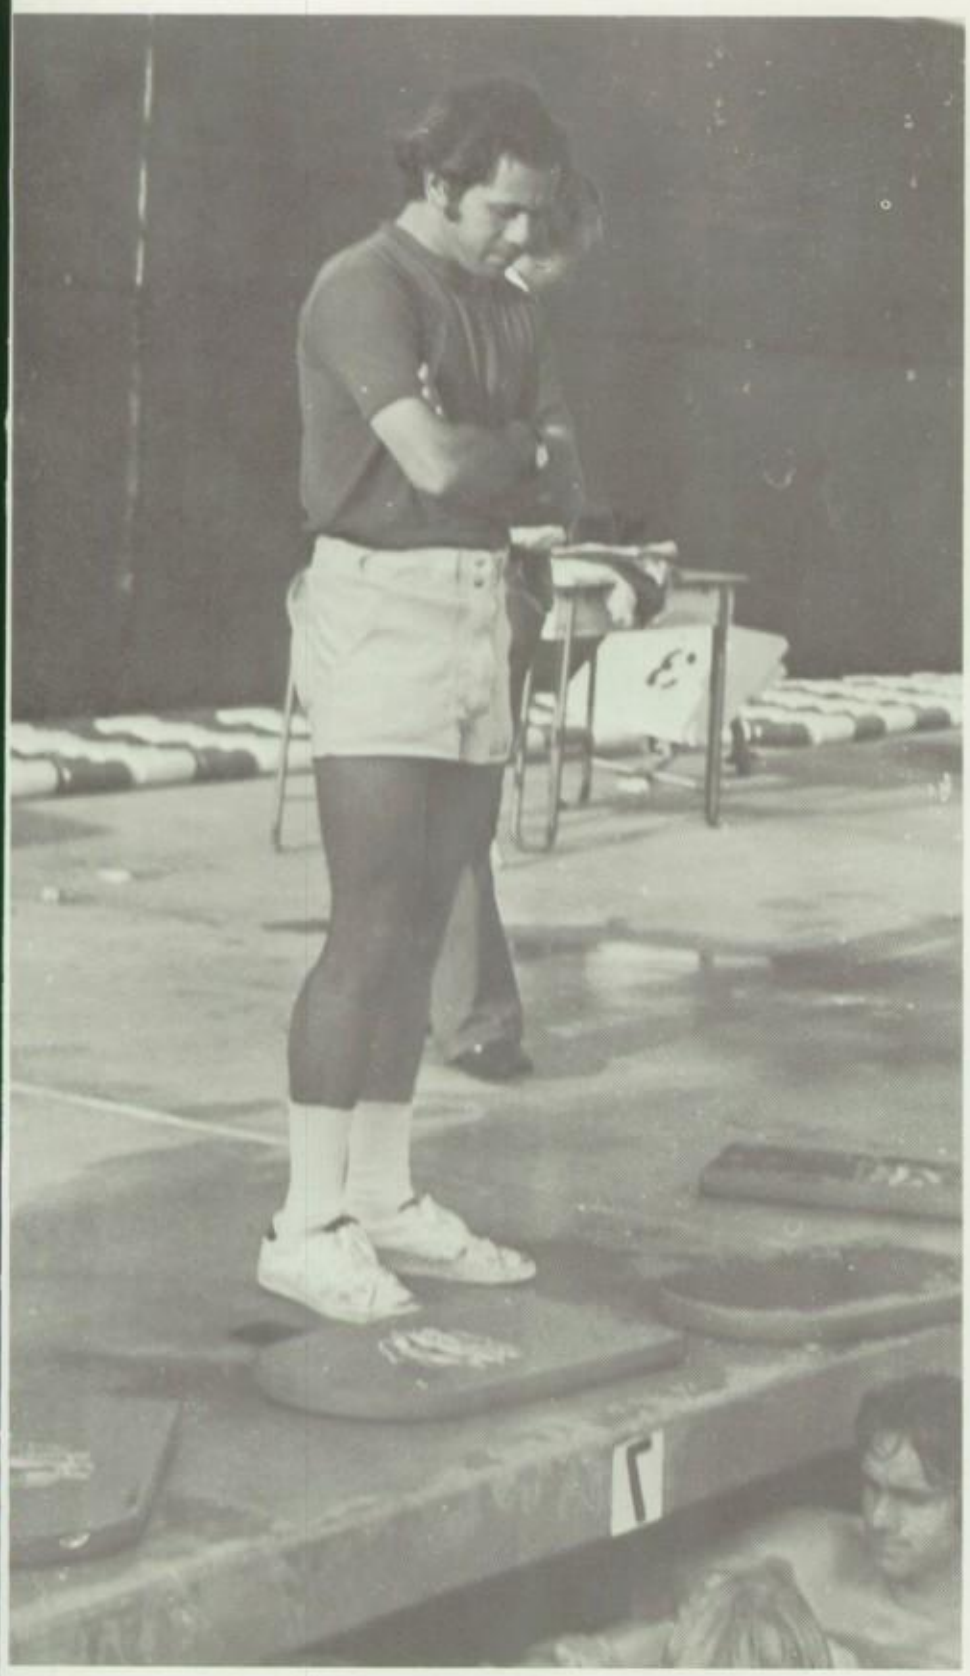
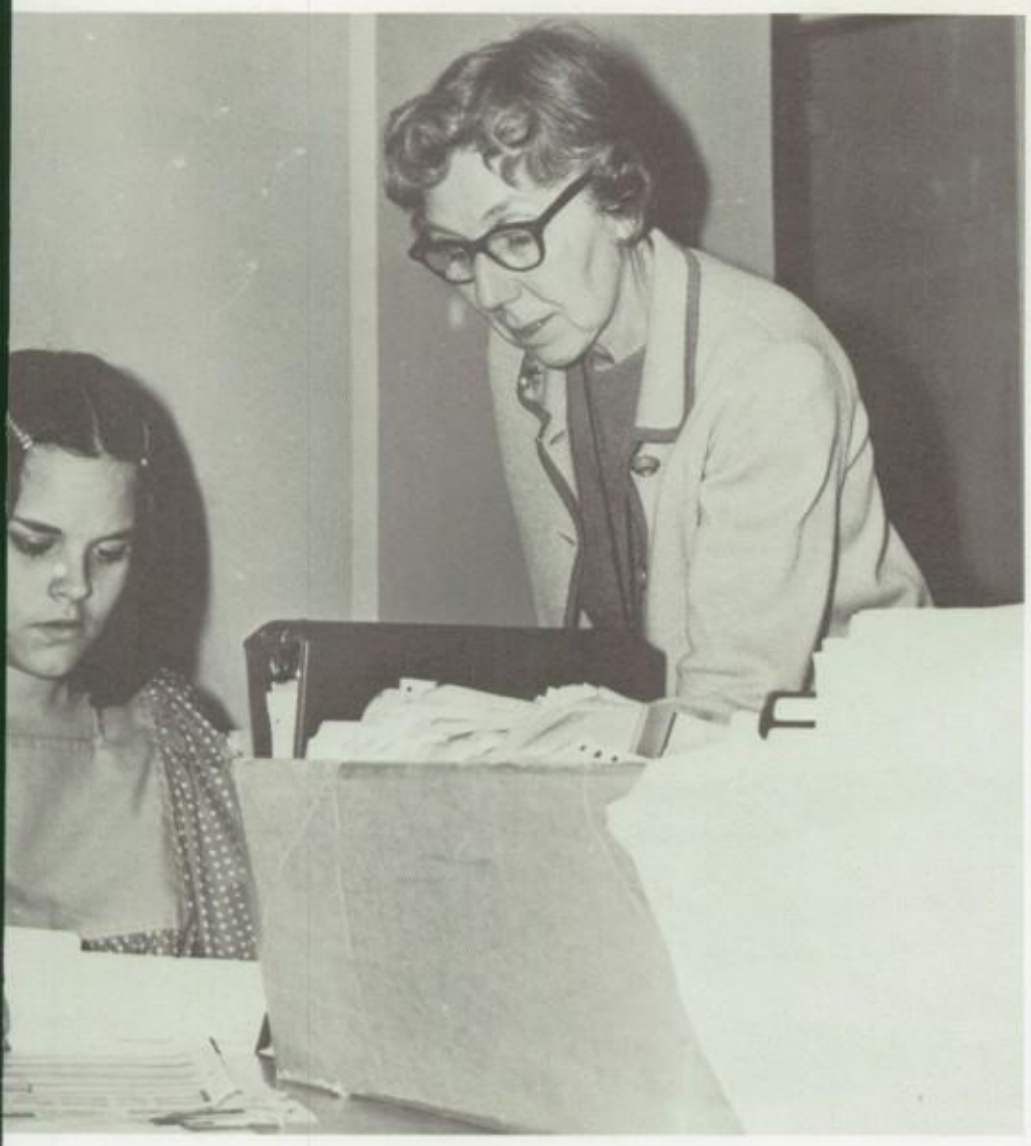
VARSITY SWIM TEAM

The Varsity swim team is probably the youngest team with the greatest potential. Speed and versatility make a winner. Dave Delano has been gifted with both, and his brother Alan has good potential. Our butterflyers are Pete Tompkins, Kent Brisby and John West. Jeff Konigas, Bruce Petereit, make our Individual Medalists. Chris Gunther and Kent Brisby make up the back strokers. Our best Ron Ryan, Charlie Hammel, Greg Cameron and Dave Anderson. The swim teams unbeaten league Divers are Joe Seitz, Ross McCright which have put in outstanding performances. Other outstanding performers are by Dave Hutchetson, Richard Kincaid, and Mark Mowrey.

JV SWIM TEAM

This years Junior Varsity swimming team is undefeated in league competition. They won the J.V. Avocado League Relay. Most of the team has been swimming a year or less. Last Year the J.V. lost to teams like Fallbrook, Crawford and Oceanside by 70 points. This year they surprised all these teams by beating Fallbrook 35-60, Crawford 65-77, and so forth. Greg Cameron and Pete Tomkins moved up to Varsity for most of the meets. They are performing outstanding on the Varsity level. Consecutive triple winners have been-Justin Burkhard in the 200 free and 100 back. Dave McCoy in the 50 free and 100 free. Greg Welch in the 200IM and 100 fly. And Ron Ledesma in the 200IM and 100 Breaststroke. All of them are members of one of the Relays that hold the J.V. school record.





CAMPUS CANDIDS

There are as Many Different activities at P.H.S., as there are students-as illustrated in the pictures. Pictured far left-Two students enjoying the very popular Chefs class. HONORED STUDENTS

This year we're honoring a couple of seniors who have done exceptionally well all through their high school years. These students have not only done quite well, but also showed interest in their school.

Patti McVay an attractive PHS coed is one of these students one of the things she has done for the school was to request that the bathrooms all be open so that students would not have to walk across campus to stand in line 15 minutes to use one of the five usable heads. She was also quite active with a few curricular activities. Patti graduated mid-term and is now enrolled in UCSD where she is majoring in sociology. She hopes that someday she will pursue a career in law.

Another of those students honored is Allen Cox who is also quite active in this school. He has been working on the school newspaper for some time as a cartoonist and sports editor. He is very much involved in sports. He was on the soccer team. He plans to go to college and become a cartoonist.

Craig Johnston, the next senior, is quite popular on campus. He was elected boys Vice-President and is very active with the A.S.B. He is also called CJ the DJ as it was he who started the daily program over the PA system. Craig has also been active in sports. He played football for 3 years and several other sports. He plans to get a scholarship and attend college.

Last is Vicki Serrano who graduated mid term.

An established place of rest at Poway High is the lunch area. Many students find it a place to study or just talk to friends. The new canopy was an added relief to the blistering sun on hot days, adding an unusual shadow pattern to the area.
